## INALJ Digest (the I Need a Library Job total jobs resource):

This daily jobs digest is created and edited daily Mondays - Fridays by Naomi House. I decided to start this project so that other MLS/MLIS students and grads would have access to the jobs I saw online and through lists and listservs. INALJ started on October 16, 2010. Happy job hunting! - Naomi House Over 4,600 FB fans, over 2,400 Twitter fans, over 2,000 LinkedIn members and over 3,600 subscribers to INALJ.

**Children Services Intern**

Darien Library

Darien, CT

Apply by **8/31**

The innovative Darien Library (CT) - one of the busiest and most highly ranked public libraries of its size in the country - seeks a creative, self-motivated library school student to become a member of the Children's Services team for a Fall Internship beginning in September 2012. The position will allow the student to gain experience working in a busy Children's Library providing reference and reader services. The Intern will also have the opportunity to observe & conduct programs as well as participate in collection development with the librarians on staff. The successful candidate will have a willingness to learn, a love of working with children and a passion for public service. The accepted candidate will receive a wealth of experience from working in this dynamic environment. The Internship is for one day a week (or a minimum of 8 hours per week) starting in September. Depending upon the student's schedule, the internship may conclude in either May 2013 or August 2013. Darien Library will provide meals and Metro-North train passes (if traveling from New York City) for the duration of the Internship. Apply with a cover letter and copy of your resume to Kiera Parrott, Head of Children's Services at [kparrott@darienlibrary.org](mailto:kparrott@darienlibrary.org)

Internship in Evaluation and Audience Research

Smithsonian Center for Education and Museum Studies

Washington, DC

The mission of the Smithsonian Center for Education and Museum Studies (SCEMS) is to interpret the collective knowledge of the Smithsonian and serve as a gateway to the Institution's education resources. Through research, publishing, and staff development programs for the education and museum communities, the Center promotes the understanding and use of museums.

As the central office of education, The Smithsonian Center for Education and Museum Studies (SCEMS) is well-positioned to give interns a broad overview of the Smithsonian Institution, introductions to the wide variety of work that museum and education professionals here are involved in, and an opportunity to participate in a deeper level with special projects. (If you are interested in interacting with students and the public in a daily museum-setting, you should consider applying directly to an education internship at one of the museums.)

We are located in Washington, D.C. and are metro-accessible. Our internships are unpaid, but we will work with your school if you'd like to receive credit.

Our highly competitive program has the following opening:

SUMMER 2012 - Evaluation Research and Audience Development

Interns implement evaluation projects for education programs across the entire Smithsonian Institution. Assist with different phases of evaluation projects - conceptualization, collection and analysis of data, & report results to different audiences; Statistical analysis and collection and analysis of qualitative data. Advanced level undergraduate or graduate student with experience and interest in museum and program evaluation. Evaluation,

anthropology or sociology background. At least 3 days per week or 20 + hours. Flexible schedule, but a 6 month commitment to the project is preferred.

Eligibility: Qualifications vary depending upon the project, but most are for upper-level undergraduate and graduate students. Student status, however, is not a prerequisite. Opportunities are generally not available for high school students.

Security: All interns are required to undergo a security background investigation and fingerprinting through the Office of Protection Services before they are accepted into the program.

How to Apply

Please apply using the Smithsonian online application system <https://solaa.si.edu>. Paper applications will not be considered.

Please be aware that complete applications must include the following:

- Resume
- Academic transcripts (unofficial are acceptable)
- Essay to tell us how the internship will advance your academic and career goals
- 2 letters of reference either uploaded by you or by your reference (or a combination)

Essential Tips for the Online Application: We're Paperless!

\* Do NOT click submit on your application until all necessary components are uploaded (i.e. transcripts, essay, resume). Once submitted, you cannot upload or change anything within the application. You can however, save and return to your application during the process of applying, before submitting.

\* An unofficial or official transcript can be uploaded by first scanning the document and saving it as a .pdf or .jpeg. Please do not mail the transcript separately.

\* In the Reference Letter section, make sure that you click the "send email" button, and that you enter your reference's e-mail address correctly. This triggers the system to email your referees with instructions for uploading the reference letter. Please advise your reference of this in advance.

Deadlines are rolling, however we begin an internal review of applications for positions after the following dates:

\* Spring (January - May) **10/15**

\* Summer (June - August) **2/1**

\* Fall (September - December) **7/5**

Questions: If you have any questions about the application process or SCEMS' internships, please send inquiries to [tspinale@si.edu](mailto:tspinale@si.edu). If you have questions concerning the SOLAA application, please go to the Help section on the SOLAA website. You will be able to check your application status online. If you are selected for an interview, you will be contacted, generally within 3-4 of the posted deadline.

Information Commons Librarian  
Butler University  
Indianapolis, IN  
Apply by **9/10**

The Information Commons Librarian co-leads the planning, management, and oversight of the Butler University Information Commons (IC) program. The IC program is a student-staffed, research and technology support service provided in partnership with the Center for Academic Technology (i.e., students work for both Butler Libraries and the Center for Academic Technology). As a trained librarian, the Information Commons Librarian provides the reference and research vision and leadership for the Information Commons program. The position oversees staffing, training, and management of IC student employees and plans and develops services in support of the curriculum that meet information and technology needs of students, faculty, and staff. The Information Commons librarian also provides library instructional support for Butler's First-Year Seminar Core Curriculum program. The position reports to Butler Libraries' Associate Dean of Public Services.

Essential Duties and Responsibilities include:

- hiring, training, directing, and evaluating the IC Assistants/Associates who work the IC service point in Irwin Library (approximately 20 students)
- conducting assessment of IC services to support the University curriculum and to address evolving end-user needs
- utilizing best practices of librarianship and information literacy competencies to inform IC program oversight and management
- actively engaging with the Center for Academic Technology to develop, direct, and oversee shared IC projects and initiatives
- providing library instruction to meet student learning outcomes in information literacy for one or more sections of the First-Year Seminar
- providing reference and research support to Butler University students, faculty, and staff, to include such activities as IC desk coverage and IC on-call duties
- demonstrating a commitment to improvement of professional skills by participating in professional library organizations at the local, state, regional or national level and/or developing research and/or publishing projects in an appropriate area of expertise.

Requirements:

## Desired Knowledge, Skills, and Abilities:

- Strong communication and interpersonal skills
- Commitment to a collaborative work environment
- Proactive, anticipatory marketing skills in relation to Information Commons and liaison responsibilities
- Ability to project-manage programs and initiatives
- Creativity and vision for user-focused delivery of information resources and services
- An awareness of and engagement with technology in order to deliver quality services and course-based instructional support
- Demonstrable leadership skills as evidenced by positions held or initiatives led
- At least minimal presentation experience via classroom information literacy instruction, course-based instruction, or other presentation formats or venues

## Graduate Assistant, Process eXperience Architecture Group

Indiana University – University Information Technology Services

Bloomington, IN

As a part of University Information Technology Services (UITS), the PXA is dedicated to serving software development teams within our department. In addition, we also serve other IU departments and offer consulting services to businesses outside the university in the south central portion of Indiana. PXA consultants are responsible for supporting development teams in the interaction design, task flow and process design, and usability testing of their applications.

To find out more about the group and the wide variety of services we offer development teams, visit our website at

<http://www.indiana.edu/~usable/>

Recent and ongoing projects include:

- Student Services Environment – an exciting project to restructure how student services (OneStart, Student Center, Oncourse, etc.) are presented to students and how students interact with their university information.
- eDossier – a project to create an online system for tenure track faculty to submit their dossiers for review.
- AAR – Academic Advising Report – Review of the report feature within the Student Information Services.
- Blacklight – project to redo the IU library catalog search.

## Responsibilities &amp; Requirements

To be eligible for the position, the applicant must be a full-time graduate student. The GA position works closely with the PXA manager and team lead in all aspects of a consulting project. The incoming GA will be working primarily on the student services project. A somewhat flexible work schedule is valued in order to be able to attend different meetings and meet the demands of different projects to fulfill the required 20 hours per week. Given the lab's off-campus location, ability to travel to the Cyber Infrastructure Building via personal car (A, C, & E permit parking is available on site), bike, or public transportation is required.

## Desired Skills &amp; Experience

- Successful completion of at least one course on Human-Computer Interaction, user-centered design, or Human

#### Factors.

- Ability to effectively contribute to the planning, implementation, analysis and reporting phases of a usability evaluation project.
- Ability to learn quickly and take responsibility for parts of a project.
- Ability to communicate effectively with colleagues and clients in both written and spoken formats.
- Attention to detail.
- Technical proficiency with PC and Macintosh platforms and with MS Office.
- Experience with HTML and CSS.
- Ability to use Dreamweaver, Photoshop, Omnigraffle, Visio, Fireworks, Balsamiq or other suitable applications to create rapid prototype designs for communicating interaction ideas to clients.
- Ability to effectively manage and maintain a small informational website.
- An interest in learning about and sharing your understanding of designing with users in mind.

#### Fee Remission & Stipend

The GA position provides 30 hours of fee remission per calendar year (6/summer; 12/fall; 12/spring). This position also provides a monthly stipend.

#### Start Date

The current GA position offered is for the 2012-2013 school year, renewable for 2013-2014, year with a start date as soon as possible. A specific start date for this position will be determined in cooperation with the chosen applicant.

#### Contact

If you feel you meet the criteria for the GA position with PXA, please send your resume and a one-page cover letter to Tara Bazler at [usable@indiana.edu](mailto:usable@indiana.edu) no later than Aug 24th. The letter should state the reasons for your interest in this position and why you feel suited for the job. Please note: the position will be filled as quickly as possible, so please apply early for consideration.

Digital Curation ORISE Fellowship  
U.S. Food & Drug Administration  
Silver Spring, MD

Apply by **8/31**

The U.S. Food & Drug Administration (FDA)'s Center for Devices and Radiological Health (CDRH) seeks a Library & Information Science graduate student or recent graduate to support the development of the CDRH Knowledge Hub Dspace repository during the Fall 2012 semester.

The CDRH Knowledge Hub is a pilot research project to develop an institutional repository for Office of Surveillance and Biometrics (OSB) information objects related to medical devices.

This is a temporary position located on the FDA White Oak campus in Silver Spring, Maryland. The fellowship offers the opportunity to gain first-hand experience in digital curation and repository administration in a federal health information environment. Work Needed: Assist two librarians in the curation of digital content for inclusion in the repository according to established metadata standards and best practices. Qualifications:

Functional competency in Dublin Core Metadata Initiative standards; working knowledge of bibliographic utilities and repository platforms; working knowledge of current digital preservation practices and tools; completed or concurrent coursework in digital collections, metadata, or curation; a professional interest in health information or eScience is preferred. Position Information: This appointment is offered through the CDRH Postgraduate Research Participation Program and is administered by the Oak Ridge Institute for Science and Education (ORISE).

This is an educational program and candidates should be within 5 years after graduation. The program is open to all qualified U.S. and non-U.S. citizens without regard to race, color, age religion, sex, national origin, physical or mental disability, or status as a Vietnam-era veteran or disabled veteran. The individual selected for appointments will not become employees of ORISE, ORAU, DOE, FDA, CDRH, or any other office or agency. Program participants will be paid a monthly stipend, commensurate with their experience. The participants may be located at any FDA-approved location. Send: Resume and cover letter to Jessica Hernandez, [Jessica.Hernandez@fda.hhs.gov](mailto:Jessica.Hernandez@fda.hhs.gov). To learn more about the Center for Devices and Radiological Health and the U.S. Food & Drug Administration, go to:

DPLA Research Assistant

Berkman Center

Cambridge, MA

Apply by **9/10**

Interested in helping to launch a large-scale digital public library in the United States? Excited about the future of online access to information? Want to collaborate closely with innovative partners in public and research libraries, government, publishing, and elsewhere? Look no further! The Berkman Center seeks a part-time Research Assistant for the Digital Public Library of America (DPLA) planning initiative.

The DPLA planning initiative is bringing together representatives from public and research libraries, the educational community, cultural organizations, state and local government, publishers, authors, and private industry in a series of meetings and workshops to examine strategies for improving public access to comprehensive online resources.

Position Responsibilities:

The Research Assistant's primary responsibilities will be to support the DPLA Secretariat, which includes working with Berkman staff members to conduct research related to digital library users, content, governance, funding, and related

issues; staying abreast of developments in the digital library field (including news related to e-publishing, copyright, linked open data, and other areas); blogging regularly on these issues; and contributing to the DPLA wiki and website. The RAs will also assist with preparations for the DPLA plenary meeting in October 2012 and occasional workshops, including opportunities to create related multimedia. This position represents an ideal opportunity for those interested in digital humanities, intellectual property issues, and access to knowledge and information.

The Research Assistant will have the opportunity to:

- \* Boost his or her research credentials;
- \* Creatively bridge research and practice;
- \* Become a key member of the Digital Public Library of America team;
- \* Participate in the greater Berkman Center community and engage in ongoing dynamic conversations at the forefront of thought on technology and society.

Required education, experience, and skills:

- \* Advanced writing and editing skills, with the ability to quickly draft and contextualize written materials within the suite of the project outputs;
- \* Excellent critical reading comprehension, with the ability to absorb material quickly;
- \* Attention to detail;
- \* Familiarity with common social media tools such as Facebook, Twitter, and YouTube;
- \* Prior wiki and HTML editing experience or a willingness to learn.

Additional skills/interests helpful for this position:

- \* Expertise in fields such as digital humanities, library and information science, law, or journalism;
- \* Media production, including experience recording and/or editing audio and/or video;
- \* Prior blogging experience;
- \* Familiarity with WordPress.

Time Commitment & Payment:

RAs work approximately 8-12 hours per week. Compensation is the standard Harvard RA/intern rate of \$11.50/hour. No other benefits are provided. This position is based in Cambridge, Massachusetts, and remote participation is not possible for this opportunity. The start date is September 10, 2012, or as soon as possible.

To apply:

Please send your current CV or resume and a cover letter summarizing your interest and experience to the DPLA Secretariat at [dpla at cyber.law.harvard.edu](mailto:dpla@cyber.law.harvard.edu) with "Application for DPLA RA" in the subject line.

Michigan Women's Historical Center & Hall of Fame Media Digitizing Internship in Livonia, MI The Michigan Women's Michigan Historical Center & Hall of Fame located in Lansing recently partnered with Allied Vaughn in Livonia to process their rich media collection. This collection spans nearly 40 years of history since the inception of the organization, including but not exclusive to, various formats like reel-to-reel, cassette tapes of oral history interviews, VHS, and beta cams coverage of the organization's events, press releases, and groundbreaking Women's Studies curriculum proposals. This collection requires processing, cataloging, and transferring legacy content into a digital format. Students need to have a basic understanding of legacy media formats, cataloging experience, digital preservation, and a desire to learn or knowledge of women's studies. For more information:

<http://www.michiganwomenshalloffame.org/>. The Michigan Women's Studies Association (MWSA), an academic professional organization, was founded in 1973 on the campus of Michigan State University to change what is thought and taught about women, particularly Michigan women, in schools, colleges, and universities. As an extension of that mission, the organization decided to establish a museum dedicated to women's history: the first of its kind in the nation. The Michigan Women's Historical Center and Hall of Fame displays cultural and historical exhibits on the accomplishments of Michigan women and maintains a library of materials on this subject. The Center is also home to the Belen Gallery in which the work of Michigan women artists is shown. Its Friends group serves as a source of volunteers and as a fund-raising organization, its primary benefit being the "Picnic on the Lawn" in June. Every October, an MWSA benefit honors new inductees to the Michigan Women's Hall of Fame at a site alternating between southeast Michigan and the Lansing area. Between eight and 10 women, past and present, are welcomed into the Hall each year. Plaques honoring those women are displayed in the Historical Center's Hall of Fame Gallery; the same information may be found online at [www.michiganwomen.org](http://www.michiganwomen.org). Past honorees include former Lieutenant Governor Connie Binsfeld, Grace Lee Boggs, Betty Ford, Aretha Franklin, Gwen Frostic, Governor Jennifer Granholm, Rosa Parks, Jane Johnston Schoolcraft, U.S. Senator Debbie Stabenow, Helen Thomas, Lily Tomlin, and Mother Waddles. In addition to overseeing the museum, the Michigan Women's Studies Association periodically sponsors an academic conference to bring more visibility to women's roles in history and current issues in women's studies. MWSA has also published an anthology, *Historic Women of Michigan*; an educational resource packet called "How the Suffragists Changed Michigan"; and *Michigan Women: Firsts and Founders*, Volumes I and II, as well as several smaller publications. Part-time Staff (2 positions)  
Latino Information Network @ Rutgers (LIN@R)  
Rutgers University  
New Brunswick, NJ

The Latino Information Network @ Rutgers (LIN@R) is a venture that is administered by the School of Communication & Information and. Set to launch the first of this October, the website will be an online hybrid mix of journalism and scholarly content that focuses on the Latino demographic in the United States.

Currently, we have a need for two part-time staffers who are capable of juggling the logistics of developing and working on a media-rich website, as well as generating the content (including graphics and visuals) that will fill it. We are looking for a Jack/Jill of all trades who have some experience in content creation, as well as some familiarity with website design, social media and some traits of website development.

Candidates with backgrounds in journalism are ideal. However, strong consideration will be given to graduate students who are seeking a masters degree in Communication and Information Studies, Library and Information Studies or a masters of Fine Arts in Visual Arts with a concentration in media.

These incumbents will work on a small team that includes a director/editor, managing editor, professional part-time writers and photographers, a website design and development agency, student interns and Rutgers-based consultants, as well as a number of private sector affiliate.

Applicants need not be of Latino descent, but candidates with some level of cultural affinity would be preferable.

Required skills:

Excellent organizational, research, and verbal and written communication skills (writing samples required)

Microsoft Office, particularly Excel and PowerPoint

Social media tools: Twitter, Facebook, LinkedIn, YouTube, Flickr, Skype, Google Docs,

Slideshare, social bookmarking (Diigo)

Familiarity with XHTML, CSS, and Joomla

Familiarity with interaction design and what constitutes a user-friendly website interface

Familiarity with Rutgers University Libraries and RUcore, the Rutgers institutional repository

Familiarity with/interest in the Latino demographic

This is a student, part-time (16 hours/week), paid position. Inquiries can be made to Robert Montemayor, Director/Editor, LIN@R: [rmontema@rci.rutgers.edu](mailto:rmontema@rci.rutgers.edu) or call (848) 445-1365.

Applicants must submit a resume.

Library Director

Victor Free Library

Victor, NY

Apply by 9/14

The Board of Trustees of the Victor Free Library seeks an energetic professional with strong leadership skills to serve as our Library Director. The position, vacated by the director retiring after 38 years, requires a candidate with strong communication skills, and experience with personnel administration, development, fiscal management and library technology. The director will provide vision for the library while working collaboratively with the Board of Trustees, the staff and the community to develop new opportunities for community involvement, staff development and forward-oriented library services. Located in Ontario County and bordering Monroe County, the community is considered a progressive and desirable living destination. The Victor School District is one of only three districts in New York State with an increasing enrollment annually. The Victor Free Library is continually ranked one of the top two members in the Pioneer Library System in circulation and usage. 13,487 registered borrowers make use of library services. Minimum qualifications for this position are a Master's Degree in Library Science from an ALA-accredited institution, have or be eligible for NYS Public Librarian's Certification, and at least two years post-MLS experience with at least one year administrative experience in a public library. Comparable leadership or development experience will be considered in lieu of two years of post-MLS experience. Salary is negotiable from \$52,000 based on experience and qualifications. Application materials (a meaningful cover letter, resume, and three professional references) must be electronically submitted in .PDF format to [vfdirectorsearch@gmail.com](mailto:vfdirectorsearch@gmail.com) by 5 pm on September 14, 2012. Please email any questions to [vfdirectorsearch@gmail.com](mailto:vfdirectorsearch@gmail.com). The position will be available on or about February 15, 2013.

Interns

The Center for Book Arts  
New York, NY

Interns at the Center for Book Arts will gain a comprehensive overview of non-profit management and/or training in book arts techniques. The internship is unpaid, though it may be used for school credit. The length of the internship varies, depending on the student's needs and requirements, as well as The Center's schedule of activities. Applicants should have experience in studio art, organization and management, or public relations, and an interest in the art of the book. A commitment of at least two full days a week is preferred. Individuals who cannot work this minimum number of hours are encouraged to apply as a work/study student rather than as an intern. Volunteer & intern opportunities are available in different departments, as listed. Administration - Interns may develop their business and management abilities as they assist in the day-to-day operation of a small non-profit organization. Development - Interns may assist in researching grants, drafting proposals, as well as developing membership drives and coordinating special fundraising events. Education Programs - Interns may assist in the coordination of

all education programs, including the development of the course schedule and lectures, as well as special outreach programs for the New York City area school children. Exhibition Programs - Interns may assist in all aspects of exhibition development and coordination of programs in The Center's Book Arts Gallery, and oversee the maintenance of The Center's Artist Slide Registry. Interns will work directly with artists and compile artist loan agreements and consignment forms, as well as assist in installation, gallery maintenance, catalogue editing and design, art sales and de-installation. Library/Collections - Interns may be involved in cataloguing The Center's art collections and resource library, which consists of out-of-print periodicals, books, limited edition artists' books, and technical books on the subjects of bookmaking and printing. Public Relations and Marketing - Interns may assist in the research of the potential markets for advancement of The Center and develop marketing plans for recommendation to the Executive Director. Interns will update media lists, and assist in the drafting of press releases and public service announcements for The Center's programs and projects. Internship in Book Arts Techniques - Interns primarily interested in learning the craft associated with bookmaking can acquire skills in the book arts by working on The Center's book projects and participating in The Center's education program, though these interns will also assist in the day-to-day operation of The Center as needed.

Development Coordinator  
Seamen's Church Institute  
New York, NY

The Development Coordinator functions as an important member of the Development Team. This full-time position reports to the Director of Development, requiring independent work as well as collaboration on team projects. The Coordinator works closely with the team members in a supporting role, assisting various functions of the department, including research, preparing reports, handling information requests, and performing clerical functions.

Development Coordinator will:

- Maintain SCI's Raiser's Edge database, including maintaining donor records, generating reports for development team members, creating and managing direct mail and email campaign lists;
- Receive visitors, arrange conference calls, schedule meetings and answer the phones for the New York office;
- Work directly with the Director of Development on managing other users of donor database and update all Campaigns, Funds, and Appeals coding in Raiser's Edge in conjunction with the Finance Department;
- Process online donations and coordinate the entry of all donations into Raiser's Edge database;
- Prepare all acknowledgement letters and correspondence to financial contributors;
- Serves as support for development team members on special projects and special events;
- Other duties as necessary.

The ideal candidate has Raiser's Edge experience and demonstrates strong project management skills. Must have good oral and written skills. This position works out of SCI's New York office.

This full-time position offers attractive salary, health and retirement benefits including a matching 403(b) retirement plan.

To Apply: Interested candidates should submit the following materials by e-mail to:

[humanresources@seamenschurch.org](mailto:humanresources@seamenschurch.org): 1) resume; 2) contact information for three references; 3) salary history; and 4) recent writing sample.

Newsweek Research Center

New York, NY

The Newsweek Research Center has an exciting internship opportunity for one or two students for the fall session. The Research Center uses leading-edge information technologies to deliver research to our editorial staff in offices in New York and around the world. Under the supervision of the Senior Information Specialist, our intern(s) will learn to index our online cover image database, help file and organize our newspaper, magazine and microfilm collections, and contribute content to our popular Newsweek archive Tumblr blog. There is also the opportunity to assist with news research. Requirements: completion of at least one reference or online searching course and currently matriculating in an MLS program. Candidates should review their program's requirements for internship eligibility (e.g. credits needed) before applying.

This is an excellent opportunity for someone who is detail-oriented, interested in current events in a fast-paced news environment and is seeking experience, under supervision, in the research process.

Intern must be available during regular business hours. This is an unpaid internship to be done for academic credit. If you are interested, please send resume and cover letter, including library school courses you've completed, to: Sam Register, Senior Information Specialist, Newsweek/Daily Beast, [sam.register@newsweek.com](mailto:sam.register@newsweek.com)

Temporary Intern  
 NorTech  
 Cleveland, OH

NorTech Position Description POSITION TITLE: Temporary Intern REPORTS TO: Research & Information Manager  
 FLSA CLASSIFICATION: Non-Exempt ABOUT THE ORGANIZATION: NorTech is a regional nonprofit technology-based economic development organization serving 21 counties in Northeast Ohio. As a catalyst for growing Northeast Ohio's emerging technology industries, NorTech is leading efforts to develop regional innovation clusters that create jobs, attract capital and have a long-term, positive economic impact. NorTech's work focuses on developing and implementing a strategy for cluster growth, including identification of market opportunities, cultivation of relationships among cluster members, and advocacy for supportive public policies. Current cluster initiatives include advanced energy and flexible electronics. POSITION SUMMARY: The qualified candidate will have demonstrated ability to collect data and provide business information and market intelligence analyses on advanced technology industry sectors in support of NorTech's economic development mission. Working under the direction of the Research & Information Manager, candidate will conduct research on technologies, products, markets, firms and industry sectors. FUNCTIONS: Conducting research on potential cluster companies to support recruitment to NorTech clusters; Executing industry research projects in response to specific needs of NorTech cluster programs; Conducting analyses of markets identified in NorTech cluster roadmaps and/or relevant to cluster development efforts; Entering information into an organization-wide information and content management system; Providing data and support for marketing initiatives and outreach and external communications activities; Other duties as assigned. MINIMUM EDUCATION, EXPERIENCE AND SKILLS REQUIRED: The ideal candidate will be a graduate student, or has recently earned a graduate degree, focusing on business, marketing, library and information science or a related field. Familiarity with research on advanced technology industries, preferably through past work experience, is a plus. Currently enrolled in a graduate program or recently earned their graduate degree; Demonstrated performance as a team player and strong interpersonal skills; Strong attention to detail; Excellent written and verbal communication skills; Outstanding analytical and problem-solving skills; Ability to multi-task and complete tasks efficiently; Demonstrated experience with Excel and PowerPoint; Working knowledge of SharePoint and Salesforce is a plus; A motivated self-starter; must work well under intermittent supervision; and Willingness to do what it takes to get a broad range of projects done in a small business environment. PHYSICAL REQUIREMENTS: Sitting for long periods of time. SCHEDULING REQUIREMENTS: Must be available during standard

business hours—position may be part-time (a set schedule of 16-24 hours per week) or full-time (37.5 hours per week). Must be available to work occasional off-hours. (Events and meetings will involve some early mornings, evenings and weekends.). This position may not be performed from a remote location. APPLICATION REQUIREMENTS: Candidates must be an enrolled graduate student, or have recently earned a graduate degree, focusing on business, marketing, library and information sciences or a related field. Familiarity with the energy, polymers and electronics industries, preferably through past work experience, is desired. Candidates must be a U.S. Citizen/permanent resident or have a valid visa, if applicable. APPLICATION PROCESS: Please submit resume and cover letter to: NorTech, Attn: Operations, 737 Bolivar Road, Suite 1000, Cleveland, OH 44115, [info@nortech.org](mailto:info@nortech.org)

Digital Projects Intern  
 Oberlin College Library and Archives  
 Oberlin, OH  
 Apply by **9/21**

The Oberlin College Library and Archives invites applications for the position Digital Projects Intern. This is a temporary, part-time intern position working up to 20 hrs/week. Exact schedule to be determined at time of offer. The term of the position will be through December 21, 2012, with the possibility of extension through June 28, 2013. Responsibilities: The position will support preservation and digital access activities supervised jointly by the Assistant Archivist and the Special Collections and Preservation Librarian (working 50 percent of time in each department). Essential Job Functions: Carry out the work on designated digital projects through scanning, digital photography, or the management of outsourced projects to vendors; contribute to the maintenance of digital images and the creation of related metadata in CONTENTdm or FileMaker Pro databases; assist regular professional staff in selecting images and mounting descriptive information for online presentations and finding guides; work with the Administrative Assistant and Professional Staff in completing orders of digital images of collection items for patrons and members of the campus community; and, work in the stacks to identify documents/objects that require modest methods of preservation and digital capture. Marginal Job Functions: Undertake special projects and other duties as directed. Requirements: Masters in Library Science, or substantial course work completed towards a Masters degree in Library Science. Competency in digital photography and Photoshop software. Desired Qualifications: Undergraduate coursework in History and Art History. Knowledge of metadata standards in the library and archives communities, digital imaging, and CONTENTdm. Experience with at least one digitization project in a Library or Archives. Compensation: \$12.00 per hour / No benefits. To Apply: Interested persons must submit cover letter, résumé, and the names of three references to Ken Grossi, College Archivist, Oberlin College Archives, 148 W. College Street, Oberlin, OH 44074 by September 21, 2012; electronic

submissions preferred, send to: [archive@oberlin.edu](mailto:archive@oberlin.edu).

## Internship

Texas African American Photography Archive

Dallas, TX

This posting is for an internship position at the Texas African American Photography Archive in Dallas. This facility is located in the 5501 Columbia Art Center complex at 115 North Augusta near the corner of Columbia Ave, in East Dallas, TX, operated by Documentary Arts and [Contemporary Culture](#), another non-profit organization.

The main focus of this position is the organization, housing, and storage of a large variety of print materials, personal and relating to work projects, and creating a finding aid for their location. The scope of the materials to be processed includes manuscripts, personal papers, magazines, scholarly journals, newspapers, letters, postcards, photographs, and ephemera. Occasional other duties include clerical (typing), and assisting Mr. Govenar with some of his research. Experience in the organization and cataloging of photographs would be a huge plus. This position would be ideally suited for a student studying for their Information Studies degree, and who has also had some background in the archiving process. If you are interested, please contact Alan Govenar at 214-824-3377, or email your resume to [alan@docarts.com](mailto:alan@docarts.com). For more information on the archive, please visit <http://www.docarts.com/archive.html>.

Conduct presentations and talks on using the collections; 6. Supervise project to digitize the rare and special collections when approved by the Director; Reference and Research: 1. Share the Reference Desk duties as scheduled; 2. Provide advanced and pro-active reference services to the faculty, students and staff of the Law School and to a lesser degree, other users; 3. Assist the faculty and students with their teaching, research, and scholarship. 4. Provide bibliographic instructions as needed; **Required Qualifications:** 1. An Master's degree in library science from an ALA-accredited institution; 2. A J.D. degree from an ABA-accredited institution; 3. A minimum of one year's full-time work experience in collection development, acquisitions, and/or technical services; 4. Substantial knowledge of traditional legal bibliography and electronic legal information resources; 5. Substantial knowledge of and experience in using bibliographic databases; 6. Strong service orientation, ability to work well independently and with others as a team, and excellent interpersonal skills; 7. Ability to carry out tasks with minimal supervision and follow through in a timely and accurate manner; 8. Ability to be flexible and adjust to change. **Desired Qualifications:** Experience in teaching, legal reference, cataloging or electronic resources. **Salary and benefits:** Salary is competitive depending on qualifications. Comprehensive benefits include medical and dental insurance, employer retirement contributions,

partial or full tuition waiver for employee and dependents, generous vacation package, free parking and admission to the University recreational facilities, and strong support for professional development. **How to apply:** Send a cover letter, along with a current resume including three references, to: Elizabeth Cadena, Executive Assistant to the Director, Sarita Kenedy East Law Library, St. Mary's University, One Camino Santa Maria, San Antonio, TX 78228. Application can be submitted by email to: [ecadena@stmarytx.edu](mailto:ecadena@stmarytx.edu). **About the Law Library:** (<http://www.stmarytx.edu/law/library/>) The Sarita Kenedy East Law Library is the largest legal information center in San Antonio and the surrounding area. Built in 1984, the Library is a spacious, beautiful facility equipped with advanced information technology. A federal depository library, the Library's collection consists of over 400,000 volumes (and equivalent). The collection covers a wide range of subjects, including U.S. federal law, state laws, and foreign, comparative and international law. Among the Library's resources is a special collection housed in the Rare Book Room. The Library also subscribes to numerous online databases and electronic products. The Library is staffed with sixteen employees, eight of them are professional librarians. The Library facility provides ample spaces for study tables, carrels, conference rooms, and training rooms for students and the faculty. Wireless access to the university network is supported throughout the building. The Library features a collection of period/antique furniture and art work. The bright, beautifully decorated Alumni Room serves both as a reading and reception room for the law school. **About St. Mary's University Law School:** (<http://www.stmarytx.edu/law/>) St. Mary's University School of Law was originally founded in 1927 by the San Antonio Bar Association, and became associated with St. Mary's University in 1934. The law school currently enrolls nearly 900 students with a faculty of about forty full-time professors. Besides the J.D. program, the law school offers a LL.M. degree program for International and Comparative Law, and American Legal Studies. In addition, the law school operates a legal clinic and two centers - the Center for International Legal Studies, and the Center for Terrorism Law. The law school runs a summer law institute in Innsbruck, Austria and a summer program in Beijing, China. The law students publish two journals: St. Mary's Law Journal, and The Scholar. For more information about the law school, visit the website at: <http://www.stmarytx.edu/law/>. **About San Antonio:** (<http://www.visitsanantonio.com>) Beautiful in nature, diverse in culture, and hospitable in people, San Antonio is a very livable and affordable city. With a population of 2.2 million and growing, the city is the 7<sup>th</sup> largest in the United States, offering a wide range of options for living, education, arts and museums, health care, entertainment, sports, and tourism. The city draws nearly 20 million visitors each year around the nation, ranking as the most visited city in Texas. For more information about San Antonio visit the website at: <http://www.visitsanantonio.com/>
