2013 Ephemera Society of America Philip Jones Fellowship
The Ephemera Society of America invites applications for the Philip Jones Fellowship for the Study of Ephemera. This competition, now in its sixth year, is open to any interested individual or organization for the study of any aspect of ephemera, defined as minor (and sometimes major) everyday documents intended for one-time or short-term use. It is expected that this study will advance one or more aims of the Society: To cultivate and encourage interest in ephemera and the history identified with it; To further the understanding, appreciation, and enjoyment of ephemera by people of all ages, backgrounds, and levels of interest; To promote the personal and institutional collection, preservation, exhibition, and research of ephemeral materials; To serve as a link among collectors, dealers, institutions, and scholars; To contribute to the cultural life of those who have an interest in our heritage as a nation or a people, both nationally and internationally. The $1,000 stipend can be applied to travel and/or study expenses, but cannot be used to purchase ephemera. How the stipend will be used; the expected form and outcome of the project and its relationship to ephemera; when and how the outcome will be disseminated; and its benefit to furthering the goals of the ESA should be clearly stated in the application. Ephemera includes a vast amount of paper material such as advertisements, airsickness bags, baseball cards, billheads, bookmarks, bookplates, broadsides, cigar box labels and bands, cigarette cards, clipper ship cards, board and card games, greeting cards, sheet music, maps, calendars, blotters, invitations, luggage labels, menus, paper dolls, postcards, posters, puzzles and puzzle cards, stock certificates, tickets, timetables, trade cards, valentines, watch papers, and wrappers. These are but a handful of examples. Please see the ESA website at www.ephemerasociety.org for more information about ephemera. The fellowship selection criteria include: 1. the significance of the project; 2. the project's relationship to ephemera and the mission of the Ephemera Society of America; 3. how the project will be shared with ESA members and the general public; 4. evidence of the applicant’s ability to disseminate the results of the project effectively through scholarly or other articles, presentations, exhibitions, etc.; and 5. how the applicant will use the stipend. Examples of previously funded proposals include: A study of Charles Magnus, one of the most prolific printers of ephemera in the nineteenth century; A study of an ephemeral guidebook, The Negro Motorists Green Book, demonstrating how black Americans adapted to changes resulting from the automobile and the interstate highway system during the era of segregation; An elementary school teacher’s project using ephemera to interest children in the social history of various cultures; A study of the Victorian custom of exchanging snippets of hair and its relationship to archival documentation; a study of black church fans and their significance in shaping African American identity and community life in America. Applications are due December 1, 2012. Specific application instructions for this fellowship can be downloaded at http://www.ephemerasociety.org/ESA_Fellowship_App_Instr_2013.pdf. In order for an application to be considered, these instructions must be followed. The applicant’s resume, submitted as part of the application, should include the applicant’s experience and proven ability to carry out this project and disseminate its results. The completed application should be sent electronically to: ESAJones@cox.net. Decisions will be reported to the successful individual or organization by March 10, 2013, and will be announced at the Society's annual meeting and conference, March 15-17, 2013, in Old Greenwich, Connecticut. The successful candidate will have one year to complete the project, and will be required to submit two written reports to the Board of the Ephemera Society: an interim progress report due September 10, 2013, and a final report due March 10, 2014. The winner may also be asked to write an article about the project for an issue of the Society's The Ephemera Journal, and/or prepare a presentation about the project for the following year’s annual conference.

Head of Acquisitions  
University of Arkansas at Little Rock  
Little Rock, AR  
Job Number: R98111. UALR HEAD OF ACQUISITIONS. Please excuse duplication of this message. The University of Arkansas at Little Rock (UALR) invites applications for the position of Head of Acquisitions (R98111) a tenure-track faculty appointment. The successful candidate will provide leadership and expertise in all issues relating to the ordering and receipt of library materials, including: overseeing ordering and receiving of all library materials; processing payments and preparing appropriate reports and statistics; and closely monitoring budget allocation for materials. The position supervises 3 FTE staff. All library faculty are responsible for working collaboratively to achieve University and Library goals and objectives. In addition, faculty members must meet the requirements for tenure and promotion. The successful candidate should possess demonstrated experience with issues and practices involved in the acquisition and maintenance of electronic resources, including knowledge of licensing as well as publisher practices and trends; electronic ordering, invoicing and processing; strong computer skills; ability to manage detailed tasks; excellent oral and written communication skills; excellent interpersonal skills to communicate in a personable, courteous and professional manner; and knowledge of trends and best practices in acquisitions, serials and electronic resources management.
Required Qualifications: ALA-accredited MLS degree plus a minimum of one year supervisory experience post-MLS in an academic or research library. Desired qualifications include: experience with Innovative Interfaces, Inc.; accounting experience; and experience with ERM applications and management. For more detailed information visit the library homepage [http://library.ualr.edu](http://library.ualr.edu) or UALR home [http://www.ualr.edu](http://www.ualr.edu). To apply: submit a letter of application (reference R98111), summary of experience and career goals, a detailed resume and the names of three references to: Suzanne Martin, Director of Administrative Services, University of Arkansas at Little Rock, Ottenheimer Library, 2801 S. University, Little Rock, AR 72204. Electronic submissions are preferred at csmartin@ualr.edu include R98111-01 in the subject line or fax to: 501-569-8814. Official transcripts will be required at time of hire. Review of applications will continue until the position is filled. This position is subject to a pre-employment criminal and/or financial history background check and/or drug screening. A criminal conviction or arrest pending adjudication and/or adverse financial history information alone shall not disqualify an applicant in the absence of a relationship to the requirements of the position. Criminal and financial background check and drug screening information will be used in a confidential, non-discriminatory manner consistent with state and federal law. The University of Arkansas at Little Rock is an equal opportunity affirmative action employer and actively seeks the candidacy of minorities, women and person with disabilities. Under Arkansas law, all applications are subject to disclosure. Persons hired must have proof of legal authority to work in the United States.

Information Assurance/Information Integrity Faculty
San Jose State University
San Jose, CA
Apply by 2/1
San Jose State University seeks to dramatically expand its faculty working in the area of cyber security/data science by hiring a cluster of five new faculty members. The university seeks people who are able to initiate and participate in interdisciplinary collaborations in the area of cyber security or data science, and who are skilled researchers and teachers in one of five areas: Computer Science, Computer Engineering, Library and Information Science, Management Information Science, or Psychology.
As part of this initiative the School of Library and Information Science (SLIS) is looking for a faculty member with a focus in either information assurance/information integrity or large data sets/information visualization. The successful applicant will teach online classes for SLIS and conduct research, build online interdisciplinary certificates, and develop fundable research proposals with colleagues in the cybersecurity and data science clusters in the University.
A successful applicant focused primarily in the area of information assurance/information integrity will teach online classes and conduct research with cluster faculty members in one or more of the following areas:
• Protection of records and archives via trusted digital repositories that ensure the accuracy, reliability, and authenticity (i.e., identity and integrity) of records in the cloud and records delivered via mobile devices
• Information risk analysis, management, and compliance of digital records
• Sustainability of digital records
• Privacy and freedom of information
• Encryption management strategies
• Recovery and disaster techniques including disaster planning
A successful applicant focused primarily in the area of large data sets/information visualization will teach online classes and conduct research with cluster faculty members in one or more of the following areas:
• Analysis of unstructured and machine generated data from social media (e.g., Facebook and Twitter)
• Information visualization to help users gain new and deeper knowledge from complex information
• Tagging of data for ease of analysis and findability
• Metadata systems, architectures, and applications
• Semantic networks and linked data
• Data analytics
• Text/data mining
• Pattern recognition
We require an earned doctorate; a strong record of scholarly and professional achievement; and an excitement and enjoyment for teaching and working online.
The School of Library and Information Science (SLIS) at San Jose State University is fully accredited by the American Library Association through 2014. It has 2000 students and since Fall 2009 delivers its degrees only online. In addition to the online Masters in Library and Information Science (MLIS) degree SLIS offers an online master’s degree in Archives and Records Administration (MARA), a gateway Ph.D. program with Queensland University of Technology, and a Post Master’s Certificate program. The School is part of the College of Applied Sciences and Arts at San Jose State University. The School has a rich technological environment ( Desire2Learn Learning Management System, Blackboard Collaborate Web conferencing, WebEx, Blackboard IM, Panopto, and Web 2.0 tools such as social networking, blogs, wikis, podcasts, and collaborative environments). Check out Innovate Magazine, SLIS’s 2012 Annual Review, to see what our students and faculty are doing.
Send by February 1, 2013:
(1) A letter of application that addresses in detail the requirements listed above and into which of the two cluster areas you feel best fitted
(2) A curriculum vitae
(3) Three original letters of reference with contact information
Application material should be sent electronically (pdf or a URL) to:
Dr. Linda Main, Chair of the Search Committee at: Linda.Main@sjsu.edu
Please include Job Opening ID: 22461
San Jose State University is home to the Silicon Valley Center for Cyber Security, is a partner in the NSF-funded national Center for Science and Technology for Research in Ubiquitous Secure Technology (TRUST) at UC Berkeley, and hosted the national symposium on Curriculum Development in Security and Information Assurance (CDSIA) as well as the Oates
Security in the Cyberage Symposium.

Development Associate
Brave New Foundation
Culver City, CA
Brave New Foundation creates media to activate people to make a difference. We are currently working on Latino issues, Criminal Justice issue and Military issues. The Development Associate assists in the implementation of Brave New Foundation’s fundraising strategies, providing essential support to the team. The Development Associate works closely with the Development Director and Executive Director to organize, draft and track communications with donors and prospects, and maintain donor records. Responsibilities include scheduling meetings with prospects and Foundations, creating and organizing lists for review, and preparing personalized and individual donor correspondence including email blasts. Responsibilities: Provide administrative support; draft correspondence, prepare materials for meetings, and other duties as required. Coordinate Board Meetings. Create queries and exports in preparation for staff trips and donor outreach. Vet, organize and prioritize list to identify top prospects for relevant outreach. Contact donors and Foundations to schedule visits, meetings, or calls as requested. Work with Development Director to track, record, and follow up on prospect responses for visits and high-level events, including updating contact rules, attributes, and actions. Assist with follow up from prospect/donor meetings and events including drafting thank-you notes, researching and drafting responses to requests for information, reports and positions, preparing materials for mailings, and ensuring that records have been updated as appropriate. Coordinate individualized contact when BNF campaigns are completed. Assist in creating those reports. Draft and produce other miscellaneous correspondence to prospects and donors, including emails. Set the emails up in html to blast to the email list. Make thank-you calls and send emails to donors on a weekly basis. Participate in relevant team meetings. As needed, support production of personalized in-house mailings to leadership donors and prospects, including cultivation mailings, Annual Report mailing and end-of-year solicitations. Qualifications and experience: Excellent writing, personal and organizational skills. Ability to manage competing priorities from multiple team members in a deadline-driven environment. Familiarity with development operations. Knowledge of html. Excellent customer service and interpersonal skills. Must be attentive to detail. Ability to work independently as well as part of a team is important. Passion for BNF mission a must. At least two years development experience. Requires strong written and oral communication skills, superior attention to detail. Application Instructions: Please submit a cover letter, writing sample and resume to jim@bravenewfoundation.org.

Research and Prospect Management Specialist  
Occidental College  
Los Angeles, CA  
Occidental College is seeking a multi-talented individual for the position of Research and Prospect Management Specialist. The Research & Prospect Management Specialist reports to the Director of Prospect Management and Prospect Research and serves as an integral part of the Institutional Advancement team. This position has an important role in the identification, qualification, and research of major/planned gift prospects. This position requires the ability to gather, summarize, and disseminate large volumes of information from numerous sources; to make recommendations for solicitation strategies; to attend events and engagements as required; and to compose prospect briefings and profiles. This position also requires a good understanding of prospect management and fundraising within a higher education context, as well as a commitment to data integrity. The ability to think analytically and intuitively in a fast-paced environment is key. This position will support the major and Planned Gifts Office in addition to the College President, Vice President of Institutional Advancement, and Annual Fund.  
Responsibilities: Analyze and synthesize accumulated financial, philanthropic and affinity data on individuals, corporations and private foundations to assess prospects’ giving capability, philanthropic tendencies, and appropriate potential solicitors. Produce and report various findings to the Major/Planned Gifts team. Prepare
profiles/briefings/information for gift officers, IA Vice President, and College President as well as for key events/meetings. Maintain strong skills and knowledge of online research resources, technologies, and methodologies. Design and conduct proactive screening projects to identify new prospects. Stay abreast of new developments in external and internal screening products/techniques and how they can help prospect identification efforts. Assist the Director of Prospect Management and Prospect Research in managing the IA Prospect Management System. Maintain the data integrity of the prospect management system in Banner and supervise the data entry of prospect management information. Work with gift officers and others to manage proposals, projects, planned solicitations and assignments. Also, work with gift officers to determine appropriate solicitation strategies for new and existing prospects. Prepare reporting for the President, IA Vice Presidents, and Gift Officers regarding prospect activity. Provide additional support for contact report review and prospect documentation.

Qualifications: Candidates must possess outstanding prospect research skills and the ability to interpret business and financial data. Requires well developed interpersonal skills and the availability to attend evening and weekend engagements. Should be able to provide insight in prospect cultivation strategies. Requires the ability to prioritize tasks and manage multiple assignments with minimum supervision while meeting strict deadlines. Thinking analytically and intuitively in a fast-paced environment is important. Must have excellent writing skills and be detail-oriented and accurate. Extensive computer experience required, including database knowledge and online prospect research skills (e.g. WealthEngine, Lexis-Nexis, etc.) and Microsoft Office. Minimum two years of professional research experience, preferably within higher education or similar environment. A Bachelor’s degree or equivalent education/work experience is required.

Internship in Evaluation and Audience Research
Smithsonian Center for Education and Museum Studies
Washington, DC

The mission of the Smithsonian Center for Education and Museum Studies (SCEMS) is to interpret the collective knowledge of the Smithsonian and serve as a gateway to the Institution’s education resources. Through research, publishing, and staff development programs for the education and museum communities, the Center promotes the understanding and use of museums.

As the central office of education, The Smithsonian Center for Education and Museum Studies (SCEMS) is well-positioned to give interns a broad overview of the Smithsonian Institution, introductions to the wide variety of work that museum and education professionals here are involved in, and an opportunity to participate in a deeper level with special projects. (If you are interested in interacting with students and the public in a daily museum-setting, you should consider applying directly to an education internship at one of the museums.) We are located in Washington, D.C. and are metro-accessible. Our internships are unpaid, but we will work with your school if you’d like to receive credit.

Our highly competitive program has the following opening:
SUMMER 2012 - Evaluation Research and Audience Development
Interns implement evaluation projects for education programs across the entire Smithsonian Institution. Assist with different phases of evaluation projects - conceptualization, collection and analysis of data, & report results to different audiences; Statistical analysis and collection and analysis of qualitative data. Advanced level undergraduate or graduate student with experience and interest in museum and program evaluation. Evaluation, anthropology or sociology background. At least 3 days per week or 20 + hours. Flexible schedule, but a 6 month commitment to the project is preferred.

Eligibility: Qualifications vary depending upon the project, but most are for upper-level undergraduate and graduate students. Student status, however, is not a prerequisite. Opportunities are generally not available for high school students.

Security: All interns are required to undergo a security background investigation and fingerprinting through the Office of Protection Services before they are accepted into the program.

How to Apply
Please apply using the Smithsonian online application system https://solaa.si.edu. Paper applications will not be considered.

Please be aware that complete applications must include the following:
- Resume
- Academic transcripts (unofficial are acceptable)
- Essay to tell us how the internship will advance your academic and career goals
- 2 letters of reference either uploaded by you or by your reference (or a combination)

Essential Tips for the Online Application: We're Paperless!

* Do NOT click submit on your application until all necessary components are uploaded (i.e. transcripts, essay, resume). Once submitted, you cannot upload or change anything within the application. You can however, save and return to your application during the process of applying, before submitting.
* An unofficial or official transcript can be uploaded by first scanning the document and saving it as a .pdf or .jpeg. Please do not mail the transcript separately.
* In the Reference Letter section, make sure that you click the "send email" button, and that you enter your reference's e-mail address correctly. This triggers the system to email your referees with instructions for uploading the reference letter. Please advise your reference of this in advance.

Deadlines are rolling, however we begin an internal review of applications for positions after the following dates:

* Spring (January - May) 10/15
* Summer (June - August) 2/1
* Fall (September - December) 7/5

Questions: If you have any questions about the application process or SCEMS' internships, please send inquiries to tspinale@si.edu. If you have questions concerning the SOLAA application, please go to the Help section on the SOLAA website. You will be able to check your application status online. If you are selected for an interview, you will be contacted, generally within 3-4 of the posted deadline.

Internship
Federal Reserve System
Washington, DC
The Board of Governors of the Federal Reserve System is offering an internship position for students pursuing a graduate degree in library and information science, history or related fields, to gain valuable work experience. The selected candidate will create metadata describing historical photos for the Federal Reserve System’s centennial celebration to take place in 2013. The intern may also provide support for other centennial projects covering a range of ongoing archival and information management initiatives aimed to preserve and make publicly accessible documents and photos that reflect the history and contributions of the Federal Reserve. The internship is located in Washington, D.C. and has flexible part time hours during the school year with the possibility of continuing full time over the summer. Candidates should have experience with creating metadata, digital imaging, or historical records. Experience with MS Windows/Office a plus. Candidates should submit a cover letter, resume, and undergraduate and graduate unofficial transcripts (scanned unofficial transcripts) to ProjectInterns@frb.gov. Interviews are conducted by telephone and selections are based solely on academic records and references. For more information, visit our website at www.federalreserve.gov/careers/ The Federal Reserve Board is an Equal Opportunity Employer and seeks to foster a diverse work environment.

Digital Archivist
Rollins College
Winter Park, FL
Special Collections Cataloger
University of Miami Libraries
Coral Gables, FL

The University of Miami Libraries seeks a Special Collections Cataloger to provide original and complex copy cataloging, retrospective conversion, and authority work for materials in the library’s Special Collections Division and the Cuban Heritage Collection, and to coordinate the special collections cataloging activity of staff within Cataloging & Metadata Services following prescribed national & local standards. UNIVERSITY: The University of Miami is one of the nation’s leading research universities in a community of extraordinary diversity and international vitality. The University is privately supported, non-sectarian institution, located in Coral Gables, Florida, on a 260-acre subtropical campus. The University comprises 11 degree granting schools and colleges, including Architecture, Arts and Sciences, Business Administration, Communication, Education, Engineering, Law, Medicine, Music, Nursing, and Marine and Atmospheric Science (www.miami.edu). THE LIBRARY: The University of Miami Libraries (www.library.miami.edu) rank among the top 50 research libraries in North America with a collection of over 3 million volumes, 74,000 current serials, and over 64,000 E-journal titles. The Otto G. Richter Library lies in the heart of the Coral Gables campus and serves as the central library for the University. Other University of Miami libraries include the Paul Buisson Architecture Library, the Judi Prokop Newman Business Information Resource Center, and the Marta & Austin Weeks Music Library, and the Marine and Atmospheric Science Library. The campus also has independent medical and law libraries. The Libraries provide support and services for approximately 10,100 undergraduates, 5,100 graduate students, and 10,000 full and part time faculty and staff. The Libraries have a staff of 37 Librarians and 86 support staff and are a member of ARL, ASERL, CLIR, NERL, RLG, and Lyris. POSITION: Under the direction of the Head of Cataloging & Metadata Services, the Special Collections Cataloger has primary responsibility for providing original and complex copy cataloging, retrospective conversion, and authority work for materials in the library’s Special Collections Division and the Cuban Heritage Collection, and coordinates special collections cataloging activity of staff within Cataloging & Metadata Services following prescribed national & local standards. ESSENTIAL DUTIES & RESPONSIBILITIES include the following. Other duties may be assigned. Performance: Provides original and complex copy cataloging of published materials in the Special Collections Division and the Cuban Heritage Collections, including rare books, artists' books, serials, and audiovisual materials in multiple languages, formats, and time periods, according to national & local standards for rare book description; Provides training and guidance to cataloging staff performing special collections cataloging and retrospective conversion; May supervise special collections cataloging project teams and/or student assistants; Works with the Head of CMS and collection curators to establish cataloging priorities for special collections material, and to set priorities for processing collections in the backlog, including determining appropriate levels of treatment for groups of materials; Serves as liaison between CMS, Special Collections, and the Cuban Heritage Collection for problem solving, changes in policies and procedures and other cataloging and metadata issues; Participates in the Cataloging Policy Board; Actively participates in the development and implementation of metadata standards in the Libraries as they apply to the processing, description, and cataloging of manuscripts and special collections materials; Serves on the Metadata Working Group; Reviews EAD-encoded finding aids prepared by special collections staff as needed for the purpose of assigning name, subject, form/genre, and title headings, and may assign headings to finding aids and related catalog records; Maintains awareness of special collections and general cataloging issues and standards, metadata standards, and librarianship. Service: Serves on/participates in Libraries and University organizations, committees, task forces, and teams as appropriate; Networks, collaborates and actively participates in local, regional, national, or international organizations regarding issues in special collections cataloging and metadata creation. QUALIFICATIONS: Required: Master’s degree from an ALA accredited library science program or foreign equivalent; Two years professional cataloging experience, including archival and/or special collections materials; Knowledge of DCRM(B), AACR2, LCSH, LC Classification, and MARC21; Familiarity with DACS, EAD, and Dublin Core; Bibliographic knowledge of Spanish; Experience working with integrated library systems (Innovative Interfaces preferred); Demonstrated project
management, organizational, analytical, and problem solving skills; Ability to work independently, collaboratively, and in teams within the Library and University; Demonstrated effective oral, written, and interpersonal communication skills; Demonstrated commitment to user-centered library service and the ability to work flexibly and creatively in a changing and fast-paced environment with a culturally diverse population; Evidence of continued professional development, involvement, and contribution. Desired: Fluency in Spanish; Bibliographic knowledge of additional Western European language(s); Experience applying metadata within a digital content management system; B.A. in the Humanities.

**SALARY AND BENEFITS:** Compensation will be competitive and commensurate with experience and qualifications. This is a non-tenure track faculty appointment at the Librarian Assistant/Associate Professor rank. The position offers a comprehensive benefits package including: TIAA-CREF; medical and dental insurance; life, disability, and long-term care insurance available; tuition remission; 13 paid holidays; and 22 days annual vacation. Additional employment benefits available include credit union; Employee Assistance Program; bookstore, and sporting event discounts; optional fee-based membership in a state-of-the-art wellness center, and no state or local income taxes. More information on benefits can be found at: [http://www.miami.edu/benefits/pdf/bensum-faculty06.pdf](http://www.miami.edu/benefits/pdf/bensum-faculty06.pdf).

**APPLICATIONS AND NOMINATIONS:** Review of applications will begin immediately and continue until the position is filled. Applications and nominations will be accepted until a suitable candidate is selected. Applications should be submitted electronically and must include a letter of interest, curriculum vitae and the names of three references. The references will not be contacted before the appropriate time. Send nominations and applications to: Marylen Exposito, Human Resources Manager, Otto G. Richter Library, University of Miami, P.O. Box 248214, Coral Gables, FL 33124-0320, email: richter.recruiting@miami.edu. The University of Miami is an Equal Opportunity Affirmative Action Employer. The University has a strong commitment to diversity and encourages applications from candidates of diverse cultural backgrounds.

INDIANA UNIVERSITY BLOOMINGTON LIBRARIES, HEAD, MEDIA CATALOGING, ASSISTANT LIBRARIAN/ASSOCIATE LIBRARIAN. Founded in 1820, Indiana University Bloomington has grown from a small state seminary into the flagship campus of a great public university with over 42,000 students and almost 3,000 faculty. Innovation, creativity, and academic freedom are hallmarks of IU Bloomington and its world-class contributions in research and the arts. The campus covers over 1,800 wooded acres and is distinctive for both its park-like beauty and an architectural heritage inspired by local craftsmanship in limestone. The Indiana University Bloomington Libraries (http://www.libraries.iub.edu) are among the leading academic research library systems in North America, having recently been named the top university library by the Association of College and Research Libraries. The IU Libraries provide strong collections, quality service and instructional programs, and leadership in the application of information technologies. The IU Libraries system consists of eighteen libraries on the Bloomington campus, five libraries in Indianapolis, and a library at each of the other six campuses across the state. The collections support every academic discipline on campus and include more than 6.6 million books, journals, maps, films, and audio/visual materials in over 900 languages. Users can access more than 400 databases, 43,000 electronic journals, and 224,000 electronic books, as well as locally developed digital content. The IU Libraries are active members of regional and national associations and consortia including the Committee on Institutional Cooperation (CIC), the Association of Research Libraries (ARL), the Digital Library Federation (DLF), and is a founding member of HathiTrust, a shared digital repository. IU is the principal investigator for Kuali Open Library Environment (OLE) and is working with academic library partners to develop a next generation open source library management. Indiana University Bloomington has achieved international recognition among film scholars and researchers for holding the largest and most diverse collections of film at any U.S. university library. Over 560,000 audio, video and film objects are owned by the campus in more than eighty units. Some highlights of the Indiana University Libraries’ collections include the filmmaker collections of the Lilly Library, the David Bradley collection and the Indiana University Libraries Film Archive. The latter recently achieved membership in the prestigious International Federation of Film Archives. To showcase these treasures the campus features a state-of-the-art film venue, the Indiana University Cinema, which screens over 150 films each semester. In response to the potential impact of content degradation and format obsolescence, as well as advances in digital preservation, the campus is moving forward with the development of the Indiana Media Preservation and Access Center. To complement and support the prominent role of media in the scholarly pursuits of the campus, the Indiana University Libraries seeks a dynamic, service-oriented and collegial librarian to help develop and to lead the Media Cataloging Unit of the Technical Services Department. The department consists of two divisions: Acquisitions and Cataloging. The Cataloging Division (9 librarians, 3 professional staff and 28 support staff) produces original and edited cataloging copy in numerous formats, languages and scripts. As one of three units in the Division, the West European Cataloging Section provides cataloging for continuing resources and other materials in monographic, cartographic, archival, visual material and sound recording formats. Many catalogers also participate in non-MARC metadata projects and image description. The Libraries’ integrated library system is SirsiDynix Symphony. RESPONSIBILITIES: Reporting to the Head of the West European Cataloging Section, the incumbent will assist in the development of a new unit primarily responsible for cataloging visual materials. With emphasis on projected media (e.g. video and film), the unit will also catalog two-dimensional objects (e.g. charts and posters), three-dimensional objects (e.g. models and realia) and limited sound recordings. The Head of the Media Cataloging Unit will also: Serve as the media resource person for Technical Services; Provide full-level cataloging for media materials, creating original records and enhancing cataloging copy; Establish new name, series and subject authority records for contribution to the national online name authority file via NACO and SACO, the name authority and subject authority cooperative programs of the Library of Congress’ Program for Cooperative Cataloging; Supervise 2.5 – 5 FTE support staff catalogers; Develop and implement projects; prepare and deliver training; write documentation; Stay abreast of national trends and developments in digital media formats and standards; Participate in management teams at the section, division and department level; Work collaboratively with other librarians (e.g. Head of Media and Reserves Services and the Film Archivist), departments and groups to advance the role of visual materials in discovery and research at Indiana University; Serve as liaison to the Indiana Media Preservation and Access Center, as appropriate. QUALIFICATIONS: Required: ALA-accredited Master’s degree in Library Science (MLS); Minimum of one year original cataloging experience in an academic or research library, which includes cataloging of time-based visual media; Evidence of effective planning, document writing and implementation of

10.25.12
cataloging policies or projects; Fluent knowledge of rules, standards and tools required to fully catalog visual materials (e.g. AACR2 rev; LCR; LC classification, subject headings and genre terms; the MARC format standard and OLAC Newsletter; relevant experience with OCLC and an integrated library system; Demonstrated ability to perform NACO authority work; Demonstrated supervisory and training experience; Knowledge of trends and best practices in media cataloging for both tangible and streaming content; Knowledge of a wide range of film, video tape, and moving image file formats and generations; Excellent oral and written communication skills; Demonstrated ability to work successfully in a collegial environment; Ability to meet the requirements of a tenure-track librarian position. Preferred: Facility with a major foreign language; Background or coursework in film studies; Knowledge of RDA; Familiarity with AMIM, SALARY

AND BENEFITS: Salary is competitive and commensurate with experience and education; benefits include a university healthcare plan, university-funded base retirement plan, a 100% university paid group life insurance plan, and a generous paid time off plan. This is a tenure-track academic appointment that includes eligibility for sabbatical leaves. For a full list of benefit programs, please refer to the following resources:

Special Collections and Library Spring 2013 Graduate Internship (Pass the Word) The Kentucky Historical Society (KHS) is a state agency and membership organization that is fully accredited by the American Association of Museums. The KHS mission is to engage people in the exploration of the commonwealth¹s diverse heritage by providing connections to the past, perspective on the present and inspiration for the future. KHS seeks a Graduate level intern to assist with the Pass the Word project. Pass the Word is a new oral history discovery tool from the Kentucky Oral History Commission (KOHC) at KHS. A centralized database allows researchers to search for the state's oral history collections and resources in one centralized online location and be connected directly with the institution charged with providing access to those collections, whether they are available online or in-person. Content can be added and edited by the oral history repository owner, thus facilitating continual updated access to oral history collections. The objective for this internship is to assist in the initial population of collection level and interview (or item) level content into the website. Intern Objectives: ·Work with partner repositories either onsite or via the phone and email to successfully import their oral history collections. ·Help populate Pass the Word by importing oral history collections into the site for KHS and other repositories. ·Write item and collection level descriptions by expanding upon existing descriptions. ·Promote Pass the Word by assisting with outreach initiatives to increase the public and repositories' understanding of the project and its benefits. Outreach initiatives include writing 3 blog posts, using other social media tools to publicize the website and advocating for it while visiting repositories. Skill Required: Successful candidate will have the following skills: ·Ability to work independently once instructed how to perform a task. ·Communication skills to effectively work with people via phone, e-mail and in person with various professionals in the field. ·Adaptability to work in different surroundings such as visiting other institutions. ·Basic computer skills. ·Majority of time will be spent sitting and using computer in an office environment. ·Travel may be required. ·Successful candidate must have a valid driver’s license and reliable transportation. Mileage will be reimbursed. ·Total Hours 200/over 12 weeks or less. This is a temporary position with a stipend based in Frankfort, Ky. Employee benefits are not available. Housing is not provided. To apply, e-mail cover letter, internship application and resume to phyllis.gilman@ky.gov. No phone calls please. Application deadline is Thursday, November 29, 2012. Temporary Tabber  
Detroit News
Detroit, MI
The Detroit News is seeking students to work as a tabber on election night on Tuesday, November 6, to help tabulate election results for our website. This is a one-day-only assignment for Tuesday, Nov. 6 starting from 7 p.m. until all of the results are in, which could conclude around 3 or 4 a.m. I am reaching out to the Library Sciences Program because I am looking for candidates with experience in gathering and researching information. We already have a few tabbers with journalism experience lined up. Selected candidates will need to come in for training at the end of this month. The pay rate for working and training is $11.81 an hour. · Collect election results from county websites and enter them into a web-based tool that will feed the numbers to our website. · Work closely with metro Reporters and Editors and our Web Developer/Programmer. · May be required to make calls to County Clerk’s offices for election information, particularly if the numbers are slow coming in from the designated clerks’ offices. · Should be somewhat outgoing, and comfortable gathering information over the phone. · Must be experienced using computers and the internet · Must be able to type 45 WPM. If interested, please contact Marie Thompson, Support Staff Manager, The Detroit News, 615 W. Lafayette Blvd. Detroit, MI 48226 (313) 222-2776 mathompson@detnews.com

Imaging Assistant
New Jersey Public Broadcasting Authority
Trenton, NJ
This position will be full time for approximately 10-12 weeks beginning in mid-November in Trenton, New Jersey. Imaging Assistants will work onsite at the storage location capturing high quality visual documentation of video assets. The work will involve repetitive, ordered actions and standing for extended periods. There will be a degree of lifting, bending, reaching, squatting, and potentially climbing ladders. Successful candidates must: Be familiar with basic concepts and processes of digital photography, including focus, framing, changing camera settings, flash card management, and image review. Be able to learn how to distinguish among various video formats. Be able to understand and follow detailed process instructions. Be able to work efficiently and with attention to output. Be comfortable with repetitive and physically active labor. Be punctual, reliable, and able to commit to full time work the length of the project. An interest in broadcasting, New Jersey history, photography, and/or media archiving are a benefit.
To apply, email a PDF copy of your resume and cover letter to josh@avpreserve.com. In the subject line enter either “Imaging Assistant” or to specify which position you are applying for. No phone calls. AudioVisual Preservation Solutions is a media preservation and information management consulting firm working with organizations across broadcasting, education, government, business, and beyond. AVPS helps our clients achieve capabilities to manage the lifecycle of legacy and digital assets, from creation to digitization, migration, and longterm usability of media and institutional data.

Internships (Spring 2013)
Digital Asset Management Group, Metropolitan Museum of Art
New York, NY
Apply by 11/16
The Digital Asset Management Group/Department of Digital Media (formerly The Image Library) of the Metropolitan Museum of Art is looking for current college seniors and graduate students who are interested in applying for an unpaid internship for the spring 2013 semester. Under the supervision of professional staff, interns will gain first-hand experience by participating in regular departmental activities that range from research and special projects to cataloguing digital content related to the museum. The Digital Asset Management Group of the Department of Digital Media is responsible for the oversight and management of all digital assets in the Museum's digital asset management system, establishing metadata requirements for cataloguing of relevant digital assets within the DAM, streamlining the deployment of digital assets from the DAM to the CMS, overseeing the application customization and integration with other systems. We are a very busy department and can offer a variety of work for anyone intrigued by an alternative library experience. The spring Internship will be from January-May. Standard internship requirements would be a minimum of at least one full day (7 hours) per week during business hours. The department is only open Monday-Friday, 9:00-5:00 and closed on the weekends. Interns will be eligible for employee discounts at the Museum's public restaurant, Membership Dining Room, the Museum's retail stores, and free admission to all other New York City museums. If interested in applying, the deadline is November 16, 2012. All materials should be compiled by the applicant, mailed together and include the following: Resume and Cover Letter; Proposed begin and end dates of internship. APPLICANTS SHOULD SUBMIT MATERIALS TO: stephanie.post@metmuseum.org (I regret I cannot answer any general inquiries about the internship at this time.)

Interns (Spring 2013)
New York Public Library
SoHo, New York, NY
We are seeking Interns for the Mulberry Street branch of the New York Public Library for Spring 2013. This is a great opportunity for MLS students interested in a career in public libraries to get hands-on experience working with collections, programming, and with the public. There are opportunities for collection maintenance, cultivating reference skills, designing community information projects, readers advisory, assisting with programming, and working closely with the Young Adult and Children's departments. Students who have a keen interest in Children's programming will have an opportunity in Spring 2013 to design and implement their own programs, working with a variety of age groups. Time and days are flexible, we can work with your schedule, and with your program advisors. The library is located in SoHo, very close to the Broadway/Lafayette BDFM station, the Bleecker St. 6 train, or the R to Prince Street. If you are
interested in interning at the Mulberry Street Library please call Library Manager Jennifer Craft at (212) 966-3424.<tel:%28212%29%20966-3424>. For more information about the Mulberry Street Library and their internships, please see this profile on the Palmer School blog: http://palmerblog.liu.edu/?page_id=5480.

Public Services and Instruction Librarian  
New York University  
New York, NY

The Tamiment Library and Robert F. Wagner Labor Archives at New York University seek a dynamic and forward-thinking individual to manage its public services function and to work as part of a team to support research, teaching, and learning in the library. Responsibilities include: overseeing Tamiment’s public services program including reading room operations, on-site and remote reference, bibliographic instruction, and outreach; maintaining and updating website content and overseeing the social media presence; and continuously assessing user research needs and improving the library’s physical and virtual research environment. Librarians are expected to serve as partners in the educational mission of NYU by establishing strong relationships with faculty and students and providing responsive and innovative information services. The Tamiment Library and Robert F. Wagner Labor Archives at New York University is one of the oldest special collections in the United States devoted to the history of left politics, labor, and social protest movements. Its holdings include oral histories, film, and more than 75,000 monographs, 20,000 linear feet of archives and manuscripts, 15,000 periodical titles, an 850,000 item pamphlet and ephemera collection, and a million photographs. Its collections document the history of labor with an emphasis on the New York area, and the history of radical politics: socialism, communism, anarchism, utopian experiments, the cultural left, the New Left, the post-New Left, the struggle for civil rights and civil liberties as well as the social and cultural contexts in which these movements functioned. It is the repository for the Archives of Irish America, the Abraham Lincoln Brigade Archives, and a growing Asian American labor collection. Under the general supervision of the Associate Head, the successful candidate will: provide exceptional instruction and reference services, including developing in-depth knowledge of collections in order to assist researchers (students, faculty, staff and external visiting scholars) in discovering, accessing and effectively using the full range of resources available to meet teaching, learning and research needs, with particular emphasis on Tamiment’s holdings of archives and special collections; work with liaison librarians and academic faculty to provide instruction in use of primary sources and Tamiment collections; design, teach and evaluate instruction sessions, including working with faculty to develop curriculum-specific instruction programs as well as coordinating research support for large classroom assignments; develop, implement, and oversee Tamiment reference and research public services, including management of workflow for email reference, and response to remote reference inquiries directly and in collaboration with Tamiment colleagues; manage the operations of the reading room, provide documentation and training for policies and operations, supervise 1.5 FTE public services staff members and multiple student workers; coordinate the library’s reproduction services and administers policies governing use, reproduction and preservation of materials; coordinate use of library space for classes, programs and events; collect, maintain and analyze reference-related statistics; develop responsive and innovative information and outreach services, including management of the department web presence and development of web content; set social media strategy and oversee its implementation; promote and market Tamiment initiatives, collections and services through tours and presentations, physical and online exhibitions, social media, and identify new opportunities and technologies to enhance outreach and instruction; oversee the printed materials collections, including books, serials, and pamphlets. Duties will include acquisitions and budget management, coordinating with Knowledge Access and Resource Management staff on the prioritization and flow of materials to be cataloged; supervising the physical processing, shelving, and reading room use of the book collections; collaborating with the Conservation Lab to identify candidates for treatment; and overseeing the flow of materials to and from offsite storage; as a member of the senior staff and in close collaboration with the Head and
Associate Head, assist in implementing professional standards and best practices for collections security and preservation and setting priorities for collection processing, cataloging, and digitization; participate in general planning and policy development in the support of Tamiment and University Libraries strategic directions; assist in fundraising and development activities as appropriate; serves on library-wide committees as necessary. Qualifications: MLIS from an ALA-accredited institution, with a subject master’s required for tenure (in a field which aligns with Tamiment collecting focus); knowledgeable in subjects related to Tamiment’s collecting focus (e.g. organized labor, civil liberties, the radical left) via a combination of formal education and/or experience; 3-5 years’ experience in a special collections or archives department in a research library; strong familiarity with scholarly research processes and providing reference in support of scholarly research, and experience providing excellent public services and/or instruction. Knowledge of trends and current best practices in delivering special collections, archival materials and digital collections to users; experience with relevant technologies for patron request and materials management (Aeon), web editing/content management systems (HTML, CSS, LibGuides) and electronic reference. Excellent project management skills, with a demonstrated ability to drive multiple projects simultaneously and keep researcher needs at the front of project planning and execution required. Knowledge of basic preservation and conservation issues, and rights administration and management issues, as they relate to archives and special collections. Candidates should exhibit a strong public service orientation; a strong commitment to team-based management and successful experience supervising, training, and mentoring other staff members and/or student employees; excellent analytical, interpersonal and communication skills, and an ability to embrace change. New York University Libraries: Libraries at New York University serve the school’s 40,000 students and faculty and contain more than 5 million volumes. The Libraries supports NYU’s vision to become the first true Global Network University by collaborating and providing services to our 11 global academic centers and our first “portal campus”, in NYU Abu Dhabi. New York University Libraries is a member of the Association of Research Libraries, the OCLC Research Library Partnership, and the Digital Library Federation. The Libraries participates in a variety of consortia and collaborates closely with the New-York Historical Society and the Brooklyn Historical Society. For the NYU Libraries Mission and Strategic Plan go to http://library.nyu.edu/about/Strategic_Plan.pdf. To Apply: to ensure consideration, send resume and letter of application, including the name, address and telephone number of three references to: Enrique Yanez, Director, Human Resources, New York University Libraries, 70 Washington Square South, New York, NY 10012 or via email to jobs@library.nyu.edu. The search will remain open until filled. NYU’s Division of Libraries embraces diversity and is committed to attracting qualified candidates who also embrace and value diversity and inclusivity. NYU is an Equal Opportunity/Affirmative Action Employer.

Interaction Designers / Lead Interaction Designers
Unspecified UX design studio [TDA-Digital]
New York, NY
We have just started working with a new client, on an exclusive basis (you will only hear about these roles through us), based in Central NYC, and they are looking to hire UX and interaction designers at various levels, from associate to lead. The salary brackets are between $85-150k, but they are looking for a very specific type of designer.

This global studio (not an agency) is quite a rarity in New York. A small, agile, collaborative, UX focused design studio, creating more than one touch point for their clients (service design in the truest sense). They are platform and tech agnostic, but more than half of their long-arch client engagements begin with either a mobile or tablet piece. From delivery of this, they then capture and work across multiple touch points for their clients (as their work makes the other touch points look deficient). The San Francisco and NYC offices work together on projects, sharing resources, clients and projects. This means that the NYC team get to work on some meaty, east coast style product and service design, rather than Facebook apps or marcomms material.

The production process is as you would imagine; lots of time and freedom to gather requirements (both business and user) through workshops, interviews, surveys and questionnaires; whatever is necessary and appropriate. From here, there is lots of collaborative sketching, whiteboarding, paper prototyping, often times involving the clients themselves. Again, whatever is necessary to get a viable concept, that is able to be tested in some way. From this, the final design direction is quantified and consolidated, and hi-fidelity prototypes are produced, then on to build and delivery.
Throughout this process, interaction designers, visual designers, creative technologists and developers, all work hand in hand, in the same room, overseen by the design leads and design director. Everyone’s voice is heard, regardless of his or her discipline, and everyone is expected to contribute creative concepts at each stage of the project. There are so few agencies or studios working in this way in NYC, creating comparable products to the same high standard, it really is quite a unique proposition. If you’re tired of working only to business requirements, with no access to users, no research time or budget, and on ultimately quite shallow and disposable projects, then please do drop me a line so I can give you some more info on these roles.

Archives Intern
New York School of Interior Design
Founded in 1916, the New York School of Interior Design (NYSID) is New York’s only private, not-for-profit college devoted to the design of the interior environment. It is dedicated to the advancement of the discipline of interior design through education, research, professional development, public programs, and community outreach. Critical to its mission is the engagement with New York City’s cultural institutions, access to design resources, and its immersion in the city’s economy.

The Library at the New York School of Interior Design is one of the only educational collections devoted to the practice and profession of Interior Design in the United States. A full time librarian has been on staff at NYSID since 1964, and the library sits in its third space during that time. Both library services and collections have grown significantly over the years. Currently, the collection holds 15,000 volumes that include books on architecture, design, decorative arts, decor, art history, construction codes and standards and sustainable design. The library also holds a range of material types, from books and journals, to digital images and audiovisual and manages a materials collection. NYSID is in the process of founding an archive and would like to first organize and create strong access points to its own institutional history leading up to its Centennial in 1916.

Internship duties include: assess the condition of Institutional materials and rehouse multi-format items according to archival standards, arrange items into container and folder levels using systematic labeling, create Finding Aid using Archivists’ Toolkit, assist with storage and maintenance of the collection, determine if and how to treat items that need preservation, research provenance, scope, content and other necessary background information to optimize accessibility of letters, publicity items, photographs, distance learning pamphlets, and other items.

Educational experience: enrolled in or completed a Library and Information Science Master's Degree, Bachelor's Degree in art history, design or a related discipline, a demonstrated understanding of the principles of archival process, completed or pursuing a certificate in archives, familiarity with Encoded Archival Description (EAD) and experience and/or training working in Archivists' Toolkit, competent in Microsoft Word and Excel, excellent writing and communication skills, ability to work well in a team environment, must be able to lift up to 30 pounds and be able to stand or sit for several hours at a time.

The internship is 15 hours per week, unpaid and can be done for credits through your academic institution. To apply send cover letter and resume to Camille Lannan (Librarian of Cataloging, Outreach & Instruction) at clannan@nysid.edu with "Spring Internship" in the subject line.

Archival Internship
New York Civil Liberties Union
Brooklyn, NY

The NYCLU is a statewide organization dedicated to the protection and enhancement of civil liberties and civil rights for all New Yorkers. Archival interns will assist the Archives & Records Coordinator in the processing of records boxes at the NYCLU’s offsite storage facility. Summary of Position: The NYCLU has recently initiated an archives and records program, the initial phase of which involves processing records boxes at our offsite storage facility in Williamsburg, Brooklyn. Material of historic value will then be transferred to a university archive, where NYCLU records will be open to researchers for the first time in its 60+ year history! We are looking for interns to help with this monumental phase of the project. Interns will gain hands on experience weeding, arranging, appraising, cataloging and general processing of archival material. Additionally, since the program is still in its infancy, interns will be able to experience the challenges and accomplishments of creating an archives program from the ground up, and have an opportunity to contribute with their expertise. The internship is unpaid, but may be taken for course credit. Position Responsibilities: Assists the Archives & Records Coordinator in weeding and arranging archival material. Catalogs records boxes and inputs folder level metadata into a FileMaker Pro database. Flags material for secure document destruction, on-site retention or permanent transfe. Performs some basic preservation practices to certain materials. Assists with building up the database, creating controlled vocabulary lists and modifying layouts to improve productivity. Flags records of significance for possible digitization. Contributes at least one entry to all-staff “Archives Update” postings, designed to pique staff interest and keep the organization updated as to the progress of the project. In addition to the work at the offsite storage facility, interns will work occasionally at the NYCLU office, located in lower Manhattan, assisting with various special projects and records management tasks. Qualifications: Must be currently enrolled in an MLS/MLIS program. Must be able to commit to at least 1 day a week, 9-4, Wednesday-Friday, for a minimum total of 100 hours. Should have an interest in archives and records management centers in non-traditional library settings. Some knowledge of legal documents is preferred. Must be able to work around dust and in a (sometimes chilly) warehouse, lift at least 50 lbs, and not be afraid to get their hands dirty! Applicants should email their cover letter and resume to jobs@nyclu.org with “Archival Internship” in the subject heading. Applications will be reviewed until the positions are filled. The NYCLU is proud to be an affirmative action/equal opportunity employer and encourages applications from women, people of color, persons with disabilities, and lesbian, gay, bisexual and transgender individuals.

FT Adult Assistant Services  
Borough of Wilkinsburg  
Wilkinsburg, PA  

Digital Humanities Design Consultant  
The Pennsylvania State University Libraries  
University Park, PA  
Apply by 11/5  
The Pennsylvania State University Libraries are currently seeking a Digital Humanities Design Consultant who is a creative researcher interested in exploring an “alternative academic” career and in expanding the modes of humanistic research through emerging and existing technologies. The person in this position will be a critical part of initiating services and programs in support of the digital humanities at Penn State, and will work as an intellectual partner with faculty, students and staff in the College of the Liberal Arts. The successful candidate will be able to work effectively between the boundaries of various humanities disciplines to help Penn State develop its digital humanities research programs. He or she will collaborate effectively and translate ideas and concepts between diverse audiences to enable the creation of new knowledge and will have fluency with a variety of technologies and direct experience in bringing technology to bear on research and teaching. This is a fixed-term (multi-year), non-tenure track, 2-year appointment based in the Publishing and Curation Services department within the University Libraries and carries the rank of Assistant Librarian. This position reports to the Digital Content Strategist, but will be jointly funded by the College of the Liberal Arts. The Digital Humanities Design Consultant will be hired as part of The Humanities in a Digital Age initiative (HDA). HDA is intended to enrich and promote rigorous cross-disciplinary humanities scholarship and research, to open new opportunities for high caliber graduate placements in the humanities, and to enrich the undergraduate experience by providing undergraduate students access to and support for cutting-edge humanities research. This initiative will help develop new services to support digitally enriched scholarship by graduate students and faculty in a wider range of fields. Working together, the Libraries and the College of Liberal Arts intend to build a community of practice for the digital humanities at Penn State through programming, services, and research collaborations. The consultant will be encouraged to conduct/continue their own research. He or she will participate in national and/or international initiatives or professional activities which promote the development of a shared humanities research infrastructure. Responsibilities: work directly with researchers to provide project definition and analysis, such as project scope, requirements, specifications and/or design; evaluate existing tools and technologies, and investigates emerging technologies to identify potential uses in humanities research; prototype demonstration projects and/or implements tools for use by others; collaborate with colleagues in the Libraries, Liberal Arts, and Information Technology Services to help ensure harmony among various technology infrastructures and needs; provide limited technical support for digital humanities research projects, including implementation of tools, technology, etc. to help researcher achieve goals; provide training, group instruction or workshops. Required Qualifications: Requires an advanced degree in a humanities field; demonstrated proficiency/fluency with one or more technologies commonly used in digital humanities projects, such as database design and development, XML-encoding, GIS; experience deploying information technology
tools/services in his or her own research; excellent communication skills; and a strong service orientation. Preferred Qualifications include a PhD in a humanities field and a record of professional presentations and/or publications.

Environment: Penn State, a land-grant institution, is a member of the Committee on Institutional Cooperation (CIC), a consortium of the Big Ten universities plus the University of Chicago. Based on current Association for Research Libraries investment rankings, Penn State is now among the top ten research libraries in North America. A Penn State student survey completed in 2010 found overall student satisfaction with the Libraries to be at the top of its category. The Libraries hold membership in ARL, OCLC, CRL, CLIR, and DLF. Collections exceed 5.8 million volumes, including more than 102,000 current serial subscriptions. The University Libraries are located at University Park and 22 other locations throughout Pennsylvania, and they serve approximately 6,000 faculty and 44,000 students at University Park, and more than 92,000 students system wide. The University Libraries work in collaboration with multiple campus partners as part of a growing program of support for emerging scholarly communications needs. These include the development of Publishing and Curation Services, which oversees user services for ScholarSphere, a service provided in collaboration with Information Technology Services. The College of the Liberal Arts at Penn State is home to more than 5200 undergraduates and 777 graduate students in twenty-one departments in the humanities and social sciences. It serves the entire University community through its extensive general education program in which typical Penn State undergraduate students take nearly one-third of their courses. With 11 of our programs placed in the top 25 percent of their respective disciplines in the recent National Research Council rankings, the College of the Liberal Arts has emerged as a one of the nation’s premier public research liberal arts colleges. The University Park campus is set in the State College metropolitan area, a university town located in the heart of central Pennsylvania. State College offers a vibrant community with outstanding recreational facilities, a low crime rate, and excellent public schools. The campus is within a half-day drive to Washington D.C., Baltimore, Philadelphia, New York City, and Pittsburgh. The University Park Airport is served by three major carriers with flights to Washington, Philadelphia, and Detroit. For more information, please www.libraries.psu.edu and www.cbicc.org.

Appointment Details: Excellent fringe benefits include liberal vacation, excellent insurance, state or TIAA/CREF retirement options, and educational privileges. Faculty in the University Libraries carrying the appointment of Fixed Term Multi-Year are afforded $1500 for professional development travel annually. Faculty may be asked to travel as official representatives of the Libraries to certain events and those trips are reimbursed at full cost within limits established by the University. Application Instructions: Send a letter of application, resume, and the names and contact information of three references to Search Committee, The Pennsylvania State University, Box DHDC-LIBG, 511 Paterno Library, University Park, PA 16802, or to lap225@psu.edu. Please be sure and reference Box DHDC-LIBG in the email subject line. Review of candidates will begin on November 5, 2012 and continue until the position is filled. Employment will require successful completion of background check(s) in accordance with University policies. Penn State is committed to affirmative action, equal opportunity, and the diversity of its workforce.

Cataloging and Metadata Internship
Southern Methodist University Central University Libraries
Dallas, TX
Apply by 10/28
Technology Services at Southern Methodist University Central University Libraries has an open internship position in cataloging and metadata for the spring semester of 2013. The semester-long program (about 120 hours) will give the intern experience in the fundamentals of cataloging, metadata,
and authority work.

Exit outcomes for the program include:

• Familiarity with cataloging and metadata work and proficiency with the tools used to achieve it (i.e., integrated library systems, classification tools, digital asset management systems, etc.).
• Understanding of the terminologies and key resources used in the field.
• A demonstrated ability to successfully complete a cataloging project.

The internship is unpaid. Interns are encouraged to use the internship as an opportunity to complete the field work requirement for the MLS degree. Completion of an introductory cataloging course is required prior to beginning the internship. Work must be completed between the hours of 8 am and 5 pm, Monday-Friday, on site at Fondren Library Center on the Southern Methodist University campus. To apply, submit a resume and cover letter to Abby Dover, program coordinator, at abbyd@smu.edu. Applications for the spring 2012 semester are due Monday, October 29, at 5 pm CST. Please contact Abby with any questions about the program.

Internship
Dallas Jewish Historical Society
Dallas, TX
We would be interested in providing an internship opportunity to your students in either LIS or History. We are a non-profit organization and we collect, preserve and record the history of the greater Dallas Jewish community. Our Dallas Jewish Historical Society Volunteer Program allows students to help the DJHS accomplish its mission by volunteering to assist the archivist with archival projects, such as helping prepare historic displays, transcribing oral histories, digitizing photos or inventory and cataloging of books. It is important to have an attention to detail and a love of history. For more information, please contact: Carol Roszell, Archivist, Dallas Jewish Historical Society, 7900 Northaven Road, Dallas, TX 75230, 214-239-7116 direct, 214-239-7120 main, croszell@djhs.org

Cape Henry Lighthouse Assistant Site Coordinator
Preservation Virginia
Virginia Beach, VA

Preservation Virginia seeks enthusiastic and dynamic Assistant Site Coordinator for Cape Henry Lighthouse in Virginia Beach, Virginia. Under the guidance of the Cape Henry Lighthouse Site Coordinator, the Assistant Site Coordinator is the primary manager when the Site Coordinator is not on site, responsible for the care of the site, daily operation of the site, supervision of the interpretive staff, and execution of Preservation Virginia's mission. The Assistant Site Coordinator has primary responsibility for retail inventory management. Duties of the position include: Following all of the procedures and policies of Preservation Virginia including but not limited to: preservation, maintenance, care of collections, disaster preparedness, filming, safety, facilities use, gift shop sales, and human resources procedures. Carrying out directives from the Site Coordinator in relation to execution of all opening and closing procedures, managing and ensuring quality customer service from all Cape Henry Lighthouse staff, etc. when the site coordinator is not present. Making bank deposits and securing sufficient change in cash drawers on shifts when acting as primary manager when Site Coordinator will not be present. Serving as a secondary emergency contact for the site for afterhours alarms. Notifying the Site Coordinator of maintenance needs on the grounds. Assisting the Site Coordinator in ensuring compliance with the Employee Manual and ensuring that employee records are current and complete. Assisting the Site Coordinator with informing public individuals interested in reserving site property for special event use, Preservation Virginia Policy on site rental, site availability, rental rates, and security protocols for entering Fort Story. Ensuring satisfactory communication of special event requests, group tour bookings, incidents of injury, improper conduct of on-site staff, unsatisfied visitors to the site, and messages from the Statewide office with the Site Coordinator. Maintaining inventory, sending items descriptions to be reordered to the accounting office, ensuring staff re-stock inventory as needed to maintain adequate quantities for visitors, accepting delivery of merchandise for the museum store and overseeing the receiving and pricing of new merchandise by staff. Performing updates to the cash register for inventory prices, PLU additions, and other programming as necessary. Performing other duties as required by
the position or as assigned by the Site Coordinator or Statewide Staff. The Cape Henry Lighthouse Assistant Site Coordinator is considered the most senior staff member on site when the Site Coordinator or Statewide Staff members are not able to be on premises. The Asst. Site Coordinator is expected to carry out all of the aforementioned duties in the most professional way possible and to ensure that all Preservation Virginia procedures are adhered to. Position requires significant outside work in both hot and cold weather, requires energy and physical stamina, ability to walk and climb substantial quantity of stairs and ability to lift 50 pounds. Position is full time and does require working weekends. A valid ID is required to gain access to the active Fort Story Base in Virginia Beach. Knowledge and Information Management Assistant
The Medical Defence Union
London, England
Apply by 10/30

The MDU was established in 1885 and is the leading medical defence organisation in the UK with over 200,000 members. We are a mutual organisation, owned by our members who include doctors, dentists and other healthcare professionals. The MDU is dedicated to supporting the medico-legal needs and reputations of our members providing benefits including defence, advice, professional indemnity insurance and educational resources. Our recently established Knowledge and Information Management department provide a focus for knowledge and information management to support MDU staff in their work by ensuring easy access to the knowledge and information and data they need, and appropriate training in its management and use. We are looking for someone to join the team of Knowledge and Information Management Assistants. The emphasis of the work is in the area of records management, mainly dealing with the retrieval, dissemination and storage of information from internal and offsite stores, in print and online format. As such, the role requires manual handling of boxes and files. There is also the opportunity to get involved in a wider range of knowledge and information and data management activities using a variety of processes and systems. The successful candidate will have a proven track record of quality administrative skills such as data entry and use of systems, and the ability to follow processes accurately. Strong IT skills, including proficiency in Microsoft Office, are essential. This is an ideal post for a candidate seeking to start their career in Records Management, Information Management or Knowledge Management. You will have excellent technical, communication and interpersonal skills and be comfortable working in a complex professional environment. You will be joining a small, friendly and professional team dedicated to providing excellent service to the business. If you are interested in being considered for this role, please send a covering letter, including a copy of your current CV, to Gwenda Sippings at sippingsg@The-MDU.com.

Commitment to user-centered services
Initiative
Problem-solving skills

Preferred Skills:
Extensive experience working in a multicultural environment
Experience working in an integrated learning environment
Experience developing social media campaigns
Experience working with software for overseeing tutoring, advising services
Knowledge of scheduling software

The Benefits
The University’s benefits package is highly attractive, with competitive salaries free of tax in the United Arab Emirates, housing, a furniture allowance, annual vacation airline tickets for the employee and immediate family, educational subsidies for children and subsidized healthcare for the employee.

To Apply
Please visit our web site www.zu.ac.ae and click on Employment to be directed to the recruitment website. In addition to completing the online application form, attach a cover letter, a current CV, and the names and contact details of three professional references.

Law Librarians (2 2-month contract positions)
Judicial Council of Ecuador
Quito, Ecuador
The Judicial Council [of Ecuador] is developing an integrated system of law libraries, in which it is important that we involve professionals in this area. The first phase is the implementation of the libraries of Cuenca, Ambato, and the reinforcement of the libraries of Quito and Guayaquil. We are looking for experienced law librarians available for two month contracts from November-December 2012 to develop this project. Interested parties can contact Cristina Mantilla Sandoval, SUBGERENTE DEL COMPONENTE DE BIBLIOTECAS, CONSEJO DE LA JUDICATURA, Teléfono: 2557248, oficina 0999461707, Dirección: Wilson y Reina Victoria. Those interested may submit their resume in the job exchange of the Judicial Council.
