## INALJ Digest (the I Need a Library Job total jobs resource):

This daily jobs digest is created and edited daily Mondays - Fridays by Naomi House. I decided to start this project so that other MLS/MLIS students and grads would have access to the jobs I saw online and through lists and listservs. INALJ started on October 16, 2010. Happy job hunting! - Naomi House Over 4,600 FB fans, over 2,400 Twitter fans, over 1,900 LinkedIn members and over 3,600 subscribers to INALJ.

Searching Specialists (FT and PT)  
Technology & Patent Research International, Inc.  
Telecommute

Dear Information Professional Colleagues: Technology & Patent Research (TPR) International, Inc., is dedicated to providing high caliber search expertise and support to the pharmaceutical, biotechnology and health technologies industries. We are seeking full or part-time searching specialists in the biomedical, scientific, CI and/or pharmaceutical business areas. Candidates should possess well developed skills and be highly experienced in searching online databases. Candidates also need a sound scientific knowledge and understanding of the high-level requirements for searching different types of data through the various phases of drug development for TPR clients, which comprise leading pharmaceutical companies. Applicants should have a minimum of a BS in a scientific discipline of direct relevance to the field, with several years of actual searching experience, ideally gained within the information department of a pharmaceutical company. TPR has a flexible arrangement to accommodate full-time or part-time searchers in the US or Europe who wish to work remotely from different locations or time zones. Please send resume and background on your particular situation and availability to: Trudi Jones, [Trudi@TPRInternational.com](mailto:Trudi@TPRInternational.com). Please indicate specifically in your cover letter where your expertise lies, i.e. within CI, pharma business searching, or biomedical/scientific searching in general. Please pass this information to any biomedical or business search specialists who you think may be available and interested in short or long-term projects on either a part-time or full-time basis. Again, flexible working arrangements apply to suit searchers in different locations. All inquiries treated in confidence. Trudi Jones, Technology & Patent Research International, Inc., 17055 Via Del Campo, Suite 200, San Diego, CA 92127, USA, Tel: **+1 858 592 9084** Fax: **+1 858 592 0045**, Email: [searches@TPRInternational.com](mailto:searches@TPRInternational.com), <http://www.TPRinternational.com>

The Smithsonian is offering paid summer internships for future time periods  
<http://www.smithsonian.org/interns>

CACI - DC area government contractor <http://www.caci.com/job/search.shtml>

Internship in Evaluation and Audience Research  
Smithsonian Center for Education and Museum Studies  
Washington, DC

The mission of the Smithsonian Center for Education and Museum Studies (SCEMS) is to interpret the collective knowledge of the Smithsonian and serve as a gateway to the Institution's education resources. Through research, publishing, and staff development programs for the education and museum communities, the Center promotes the understanding and use of museums.

As the central office of education, The Smithsonian Center for Education and Museum Studies (SCEMS) is well-positioned to give interns a broad overview of the Smithsonian Institution, introductions to the wide variety of work that museum and education professionals here are involved in, and an opportunity to participate in a deeper level with special projects. (If you are interested in interacting with students and the public in a daily museum-setting, you should consider applying directly to an education internship at one of the museums.)

We are located in Washington, D.C. and are metro-accessible. Our internships are unpaid, but we will work with your school if you'd like to receive credit.

Our highly competitive program has the following opening:

SUMMER 2012 - Evaluation Research and Audience Development

Interns implement evaluation projects for education programs across the entire Smithsonian Institution. Assist with different phases of evaluation projects - conceptualization, collection and analysis of data, & report results to different audiences; Statistical analysis and collection and analysis of qualitative data. Advanced level undergraduate or graduate student with experience and interest in museum and program evaluation. Evaluation, anthropology or sociology background. At least 3 days per week or 20 + hours. Flexible schedule, but a 6 month commitment to the project is preferred.

Eligibility: Qualifications vary depending upon the project, but most are for upper-level undergraduate and graduate students. Student status, however, is not a prerequisite. Opportunities are generally not available for high school students.

Security: All interns are required to undergo a security background investigation and fingerprinting through the Office of Protection Services before they are accepted into the program.

How to Apply

Please apply using the Smithsonian online application system <https://solaa.si.edu>. Paper applications will not be considered.

Please be aware that complete applications must include the following:

- Resume
- Academic transcripts (unofficial are acceptable)
- Essay to tell us how the internship will advance your academic and career goals
- 2 letters of reference either uploaded by you or by your reference (or a combination)

Essential Tips for the Online Application: We're Paperless!

\* Do NOT click submit on your application until all necessary components are uploaded (i.e. transcripts, essay, resume). Once submitted, you cannot upload or change anything within the application. You can however, save and return to your application during the process of applying, before submitting.

\* An unofficial or official transcript can be uploaded by first scanning the document and saving it as a .pdf or .jpeg.

Please do not mail the transcript separately.

\* In the Reference Letter section, make sure that you click the "send email" button, and that you enter your reference's e-mail address correctly. This triggers the system to email your referees with instructions for uploading the reference letter. Please advise your reference of this in advance.

Deadlines are rolling, however we begin an internal review of applications for positions after the following dates:

\* Spring (January - May) **10/15**

\* Summer (June - August) **2/1**

\* Fall (September - December) **7/5**

Questions: If you have any questions about the application process or SCEMS' internships, please send inquiries to [tspinale@si.edu](mailto:tspinale@si.edu). If you have questions concerning the SOLAA application, please go to the Help section on the SOLAA website. You will be able to check your application status online. If you are selected for an interview, you will be contacted, generally within 3-4 of the posted deadline.

Library Director  
 LaGrange Public Library  
 LaGrange, IN  
 Apply by 9/1

The Board of Trustees of the LaGrange County Public Library, LaGrange, Indiana is searching for a Library Director that oversees a rural county library system serving a population of approximately 38,000 residents. LCPL has a main library, along with 2 branches and one bookmobile. Position will be available January 1, 2013. Summary of job responsibilities: Organizes, directs, controls, and promotes the activities of the countywide library system. Work varies, requiring interpretive judgment; has significant opportunity for discretion and independent action. Job duties: Plans, organizes, and manages the services of the library; establishes goals and measures accomplishments against recognized standards. Studies and makes plans to develop the services of the library to more effectively meet present and future community needs, including study of community and area trends and their relation to the library. Advises, consults, and confers with the Library Board, other libraries, professionals, officials (at State and local levels), citizens, and community groups. Supervises and develops procedures, policies, and public information, and reference service methods used. Evaluates the performance of direct subordinates and supervises the evaluation of other employees. Prepares correspondence and annual state library report. Supervises the keeping of records and the preparation of reports. Prepares and presents library budgets. Prepares grant applications and seeks funding for operational and improvement programs. Actively seeks grants, gifts, and other new sources of non-tax funding for the library. Directs a public relations program to promote and publicize the Library in the community. Supervises the maintenance of the physical plant. Maintains current knowledge of new developments in the library field. Initiates plans, develops, and implements records and report systems and schedules. Reports to a seven member Library Board. Minimum qualifications: Master's Degree in Library Science, or Library and Information Science (MLS/MLIS) from a graduate library program accredited by the American Library Association, and three years professional library experience, preferably in an administrative and/or managerial/supervisory capacity in a public library. LC 2 or higher. Salary will be based on experience and education. Send resume no later than September 1, 2012 to: Personnel Committee, LaGrange County Public Library, 203 W. Evening / Weekend hours required: No - occasional opportunities to work outside of weekday 9-5 hours if desired. Hours / week: 10 - 15. Pay Rate: \$10 / hour. Positions Available: 2. **How to Apply:** Contact Brian Richwine at the above email address. In your email, please use the subject line "Audiovisual Captioning Production Assistant Application". **Job**

**Description:** The successful candidate would assist the Adaptive Technology and Accessibility Center (ATAC) in their role of supporting students, faculty, and staff with disabilities to be successful at Indiana University by supporting an inclusive environment geared towards universal design concepts. The Captioning Production Assistant works closely with and under the supervision of the ATAC Adaptive Technology User Support Specialist. The captioning assistant will be assigned to work on various captioning projects throughout the semester and will be responsible for reviewing and adhering to captioning recommendations. In this position, captioning is the process of converting audio content from a video, audio or other applicable production into text and displaying that text along with the video or audio content. The captioned media that are produced are used to address the needs of deaf or hard of hearing students enrolled in courses that utilize audio/visual content. The position is expected to work 15 to 20 hours per week during the academic semester. Upon being hired, training is provided in each of the areas listed below. **Job Responsibilities:** Learn and master technologies and practices involved in caption and transcript creation for audiovisual media. Track work and organize new tasks in an Excel spreadsheet and via email. Take client requests, schedule work, receive/intake audiovisual media. Use video editing equipment, digitization software and video editors as needed to digitize and convert received audiovisual media into formats required by caption and transcript providers. Use Automatic Sync Technologies CaptionSync Captioning or other vendor account to upload video/audio content for creation of captions/transcripts. Check progress of outsourced caption and transcripts. Download completed transcripts from vendor's system to captioning work folder. Move media/transcript/caption files to appropriate locations on file servers for effective playback of captioned video. Verify quality of received caption files by proofing final results. Proof results by watching and listening to media and simultaneously reviewing captions to determine which caption phrases require editing or time sync adjustment. Adhere to captioning best practices and recommendations. Integrate received caption and transcript files to the audiovisual media. Create hyperlinks or generate embed code to be used to link to captioned videos. Deliver captioned/transcribed media to instructors or appropriate support staff in person, by mail, email, or the Internet. Respond to client and instructor inquiries in person, via telephone, and via email. Report any issues or questions to the Instructional Materials Specialist or other appropriate staff. Attend meetings discussing the development of new captioning/transcription techniques and policy development. Perform problem solving and Internet research on methods, software, hardware and best practices to help refine and expedite our captioning processes. Work in cooperation with other staff to create documentation of service practices and techniques.

**Qualifications:** Technical: Must have a good working knowledge of MS Office applications, particularly Word, PowerPoint and Excel. Must possess competency in using Windows and Mac OS X operating systems. Knowledge using media players such as QuickTime, Windows Media Player, YouTube video players on various platforms, JW Player, and NCAM's ccPlayer. Proficiency with communication software and internet applications (e.g. Web browsers, FTP, encoding software). Experience working with large files (2GB+) and distributing large files over

the Internet (using Box, Dropbox, Slashtmp, etc.). Familiarity with Web video download and video / audio file conversion (e.g. converting a video file into an audio file or a video file of a different format or compression level). Experience with non-linear video editing suites (Adobe Premiere). Experience with Web technologies: HTML, CSS, JavaScript, streaming media and encoding. Must enjoy problem solving via Internet research. Must be able to pick up new computer skills quickly. Preferred (but not required) Technical Skills: Experience digitizing analog audiovisual media. Familiarity with technologies used in on-line instruction is beneficial, including: Adobe Presenter, Adobe Captivate, Adobe Connect, Oncourse (Sakai) site configuration, SoftChalk. Personal: Have a good command of English including grammatical structures, syntax, spelling, vocabulary and punctuation (proficiency in other languages a plus but not required). Must be comfortable with hearing English spoken by non-native speakers with a variety of accents and through various audio qualities and distortion. Must be detail oriented. Excellent typing skills. Ability to work well with various people including students, faculty, staff, and high-level administrators and have excellent customer service skills. Excellent verbal and written communication skills and the ability to effectively interact with coworkers. Must be able to work effectively and efficiently with a minimum of supervision. Good time management skills: the ability to work under a deadline and meet deadlines in a timely manner. The ability to work with multiple projects simultaneously and the flexibility to transition back and forth between projects. Excellent critical thinking and real-time problem solving skills. Familiarity with copyright law and of fair use. Familiarity with disabilities, disability issues, and adaptive technology is preferred, but not required. **Availability:** Must be available to work a minimum of two daytime shifts within the work week. Work shifts must be a minimum of two hours

DPLA Research Assistant

Berkman Center

Cambridge, MA

Apply by **9/10**

Interested in helping to launch a large-scale digital public library in the United States? Excited about the future of online access to information? Want to collaborate closely with innovative partners in public and research libraries, government, publishing, and elsewhere? Look no further! The Berkman Center seeks a part-time Research Assistant for the Digital Public Library of America (DPLA) planning initiative.

The DPLA planning initiative is bringing together representatives from public and research libraries, the educational

community, cultural organizations, state and local government, publishers, authors, and private industry in a series of meetings and workshops to examine strategies for improving public access to comprehensive online resources.

**Position Responsibilities:**

The Research Assistant's primary responsibilities will be to support the DPLA Secretariat, which includes working with Berkman staff members to conduct research related to digital library users, content, governance, funding, and related issues; staying abreast of developments in the digital library field (including news related to e-publishing, copyright, linked open data, and other areas); blogging regularly on these issues; and contributing to the DPLA wiki and website. The RAs will also assist with preparations for the DPLA plenary meeting in October 2012 and occasional workshops, including opportunities to create related multimedia. This position represents an ideal opportunity for those interested in digital humanities, intellectual property issues, and access to knowledge and information.

The Research Assistant will have the opportunity to:

- \* Boost his or her research credentials;
- \* Creatively bridge research and practice;
- \* Become a key member of the Digital Public Library of America team;
- \* Participate in the greater Berkman Center community and engage in ongoing dynamic conversations at the forefront of thought on technology and society.

**Required education, experience, and skills:**

- \* Advanced writing and editing skills, with the ability to quickly draft and contextualize written materials within the suite of the project outputs;
- \* Excellent critical reading comprehension, with the ability to absorb material quickly;
- \* Attention to detail;
- \* Familiarity with common social media tools such as Facebook, Twitter, and YouTube;
- \* Prior wiki and HTML editing experience or a willingness to learn.

**Additional skills/interests helpful for this position:**

- \* Expertise in fields such as digital humanities, library and information science, law, or journalism;
- \* Media production, including experience recording and/or editing audio and/or video;
- \* Prior blogging experience;
- \* Familiarity with WordPress.

**Time Commitment & Payment:**

RAs work approximately 8-12 hours per week. Compensation is the standard Harvard RA/intern rate of \$11.50/hour. No other benefits are provided. This position is based in Cambridge, Massachusetts, and remote participation is not possible for this opportunity. The start date is September 10, 2012, or as soon as possible.

To apply:

Please send your current CV or resume and a cover letter summarizing your interest and experience to the DPLA Secretariat at [dpla@cyber.law.harvard.edu](mailto:dpla@cyber.law.harvard.edu) with "Application for DPLA RA" in the subject line.

Media Digitizing Internship

Michigan Women's Historical Center & Hall of Fame

Livonia, MI

Apply by 8/31

Michigan Women's Historical Center & Hall of Fame Media Digitizing Internship in Livonia, MI The Michigan Women's Michigan Historical Center & Hall of Fame located in Lansing recently partnered with Allied Vaughn in Livonia to process their rich media collection. This collection spans nearly 40 years of history since the inception of the organization, including but not exclusive to, various formats like reel-to-reel, cassette tapes of oral history interviews, VHS, and beta cams coverage of the organization's events, press releases, and groundbreaking Women's Studies curriculum proposals. This collection requires processing, cataloging, and transferring legacy content into a digital format. Students need to have a basic understanding of legacy media formats, cataloging experience, digital preservation, and a desire to learn or knowledge of women's studies. For more information:

<http://www.michiganwomenshalloffame.org/>. The Michigan Women's Studies Association (MWSA), an academic professional organization, was founded in 1973 on the campus of Michigan State University to change what is thought and taught about women, particularly Michigan women, in schools, colleges, and universities. As an extension of that mission, the organization decided to establish a museum dedicated to women's history: the first of its kind in the nation. The Michigan Women's Historical Center and Hall of Fame displays cultural and historical exhibits on the accomplishments of Michigan women and maintains a library of materials on this subject. The Center is also home to the Belen Gallery in which the work of Michigan women artists is shown. Its Friends group serves as a source of volunteers and as a fund-raising organization, its primary benefit being the "Picnic on the Lawn" in June. Every October, an MWSA benefit honors new inductees to the Michigan Women's Hall of Fame at a site alternating between southeast Michigan and the Lansing area. Between eight and 10 women, past and present, are welcomed into the Hall each year. Plaques honoring those women are displayed in the Historical Center's Hall of Fame Gallery; the same information may be found online at [www.michiganwomen.org](http://www.michiganwomen.org). Past honorees include former Lieutenant Governor Connie Binsfeld, Grace Lee Boggs, Betty Ford, Aretha Franklin, Gwen Frostic, Governor Jennifer Granholm, Rosa Parks, Jane Johnston Schoolcraft, U.S. Senator Debbie Stabenow, Helen Thomas, Lily Tomlin, and Mother Waddles. In addition to overseeing the museum, the Michigan Women's Studies Association periodically sponsors an academic conference to bring more visibility to women's roles in history and current issues in women's studies. MWSA has also published an anthology, *Historic Women of Michigan*; an educational resource packet called "How the Suffragists Changed Michigan"; and *Michigan Women: Firsts and Founders*, Volumes I and II, as well as several smaller publications. Excerpt taken from:

<http://www.michiganwomenshalloffame.org/pages/history.htm>. Project begins September 10, 2012 at Allied Vaughn in Livonia, MI. 10-15 hours per week. Volunteer position. Potential practicum position (with negotiable final portfolio worthy deliverable). DEADLINE to apply is August 31st, to Apply Please Send Cover Letter and Resume to:, Lisa M. Reference Internship

Brooklyn Historical Society

Brooklyn, NY

The Brooklyn Historical Society (BHS) is seeking reference interns for the Fall and Spring semesters. Reference internships at BHS offer a unique opportunity to work in a research library and gain valuable practical experience working with library, archives, manuscript and photographic collections. Year-long commitments are preferred, so that we can chart out substantial projects that will support your professional development and foster innovative reference and research services at BHS. Under the supervision of library staff, intern will track reference queries; answer reference and research questions via email, phone and correspondence across all collections; and work the reference desk during open library hours. Interns must be available one full day a week (7 hour minimum) Wednesday - Friday. Preference will be given to those who can commit to two semesters. Internships are unpaid and intended to fulfill internship course credit requirements for internships and practicums. Candidates must be enrolled in a graduate level history or ALA-accredited library program. Additionally, candidates must be able to lift and carry library materials and equipment weighing up to 30 lbs; stoop, reach, walk up and down stairs, and stand and sit for prolonged periods of time; and work in conditions where dust and mold are sometimes encountered. Completed coursework in reference and user services is desirable. **To apply**, please email resume and brief cover letter to

[library@brooklynhistory.org](mailto:library@brooklynhistory.org)<<mailto:library@brooklynhistory.org>> with your name and REFERENCE

INTERNSHIP APPLICATION in the subject line. Applications will be reviewed immediately. The Brooklyn Historical Society Library was one of only a handful of cultural organizations in the fast-growing City of Brooklyn in the mid-nineteenth century. Founded in 1863, the library has a premier collection of research materials on the history of Brooklyn that today includes over 100,000 bound volumes, 60,000 graphic images, 2,000 linear feet of manuscripts, and over 2,000 maps and atlases. The library also holds family histories and genealogies, rare books, periodicals, serials, journals, personal papers, institutional records, and oral histories that document Brooklyn's many different ethnic groups and neighborhoods. The collection was designated a major research library by the U.S. Department of Education and has been used by countless students, teachers, genealogists, researchers and scholars.

The Brooklyn Historical Society is dedicated to a policy of non-discrimination in employment on any basis including race, color, age, sex, religion, national origin, the presence of any mental, physical, or sensory disability, sexual orientation, or any other basis prohibited by federal or state law.

**Library Director**

Victor Free Library  
Victor, NY

Apply by 9/14

The Board of Trustees of the Victor Free Library seeks an energetic professional with strong leadership skills to serve as our Library Director. The position, vacated by the director retiring after 38 years, requires a candidate with strong communication skills, and experience with personnel administration, development, fiscal management and library technology. The director will provide vision for the library while working collaboratively with the Board of Trustees, the staff and the community to develop new opportunities for community involvement, staff development and forward-oriented library services. Located in Ontario County and bordering Monroe County, the community is considered a progressive and desirable living destination. The Victor School District is one of only three districts in New York State with an increasing enrollment annually. The Victor Free Library is continually ranked one of the top two members in the Pioneer Library System in circulation and usage. 13,487 registered borrowers make use of library services. Minimum qualifications for this position are a Master's Degree in Library Science from an ALA-accredited institution, have or be eligible for NYS Public Librarian's Certification, and at least two years post-MLS experience with at least one year administrative experience in a public library. Comparable leadership or development experience will be considered in lieu of two years of post-MLS experience. Salary is negotiable from \$52,000 based on experience and qualifications. Intern (Fall 2012)

The New Museum

New York, NY

The New Museum has internship positions available for students looking to gain valuable experience in multiple areas of museum archives. Interns will help to preserve the New Museum's history that would otherwise be inaccessible by assisting with the physical processing and digitization of the New Museum's organizational records. Interns will gain skills working with born-digital materials as well as physical records.

Projects include: Creating machine-readable derivatives of archival materials through scanning using Adobe Photoshop and Acrobat. Cataloging digital materials using Collective Access and Dublin Core. Assisting with the physical processing and description of organizational records related to the Museum's history, including exhibition records, correspondence with artists and curators, photographs, audio, video, and physical media. Assist the archivist and curatorial team in researching materials related to institutional history, building architecture, and educational and public programming for inclusion in the New Museum Digital Archive. Founded in 1977 by Marcia Tucker, the New Museum has been an important platform for curatorial practice, cultural debate, and early exposure and scholarly treatment for important yet under-recognized figures in contemporary art over the last thirty-four years. The Museum's current mission is "New Art, New Ideas." The physical archives of the New Museum document the institution's operations and activities. Primary and secondary sources include exhibition files, catalogues, photographic film and prints, digital images and prints, video and audio recordings of public programs and performances, artist files, and artwork. These records are invaluable as sources documenting the history of the only museum in New York City dedicated exclusively to contemporary art. The New Museum's Digital Archive is an innovative project to publicly document the activities and programmatic history of an institution what an art museum has done, not what it owns.\* \*Through this interface, users can explore approximately 8,000 written and visual records, as well as a searchable database of over 4,000 artists, curators, and organizations associated with the New Museum's thirty-five-year history. This platform provides free digital access to primary and secondary source material, including installation images, audio and video recordings of public programs, Museum publications, brochures, press releases, checklists, and more. The archive was built and developed with Collective Access, an open-source, web-based software application, and using modified Dublin-core metadata standards. <http://archive.newmuseum.org>

\*QUALIFICATIONS\* Enrollment in an advanced degree program in Archives, Library and

Information Science, or related area of study. Familiarity with archival standards and best practices for preserving physical and digital materials. Scanning and Photoshop experience preferred. Ability to work independently with

strong time management skills. Interest in contemporary art and the history of downtown New York. Two days / 16 hours per week preferred. Museum office hours are Monday-Friday: 10 a.m.-6 p.m. To apply, please send a letter of interest and resume to:

Library Internship Opportunity  
The Center for Inquiry  
Amherst, NY

The Center for Inquiry (including its affiliates, the Committee for Skeptical Inquiry and the Council for Secular Humanism), is a secular organization that promotes a philosophy and a set of ethical values based on a naturalistic outlook. Its members are not religious; they variously describe themselves as atheists, agnostics, humanists, or skeptics depending on their own assessment of the likelihood of the existence of a deity. An explicit part of CFI's mission is to protect and defend the rights of the nonreligious. The Library Intern will work primarily in legal research and document drafting in the fields of copyright, trademark, civil rights and non-profit corporate law with the Legal Director and the Librarian.

A minimum of 120 hours will be needed to work on the tasks below, which would equate to three credit hours if applying this towards LIS 526 or LIS 527.

#### Projects and Tasks

Determine what names, initials, slogans, logos and devices CFI uses as trademarks  
Determine whether additional trademark rights could be gained by changing language or presentation  
Catalog dates of first use and goods and services associated with each trademark and potential mark  
Evaluate registrability of each trademark  
Prepare and file applications for registration of selected marks  
Determine whether proper notices of trademark and copyright are used  
Evaluate claims of infringement of Free Expression and Free Exercise of religion  
In connection with on-going litigation: fact analysis and civil rights law research  
Research archives for corporate documents and create history of organization  
Weekly (minimum) meetings with Librarian and Legal Director  
Communicate, and advocate for, recommendations to management committee  
Prepare materials to convey legal requirements to relevant staff and the public

#### Learning Objectives

Improved research and writing skills  
Working knowledge of trademark law  
Understanding of First Amendment and Civil Rights related to religion  
Understanding of how copyrights are created  
Learn ways of organizing and prioritizing tasks, and reporting and archiving results  
Ability to communicate laws to people with varying knowledge and needs to know  
Ability to apply case law to facts  
Ability to advocate, persuade and negotiate  
Ability to evaluate data, identify relevant documents, and organize and present results

#### HOW TO APPLY:

Please send a cover letter, resume, writing sample of 10 pages or fewer, and contact information for two references to [tbinga@centerforinquiry.net](mailto:tbinga@centerforinquiry.net), reference Library Intern in subject line -- or by mail to: Library Director, P.O. Box 741, Amherst, NY 14226.

**Library Director/Library Manager**

Williamson Free Public Library

Williamson, NY

Apply by **10/1**

The Board of Trustees of the Williamson Free Public Library seeks an enthusiastic, innovative and service-oriented Library Director/Library Manager who has a passion for providing access to library resources to the entire community. A candidate must be able to lead and inspire others to strive for excellence in library service. The Williamson Free Public Library is located on Lake Ontario in Wayne County and is a member library of the Pioneer Library System. The town of Williamson, population 6984, is a rural community located 25 miles from the city of Rochester and offers an excellent school system, historic homes, lake access and picturesque surroundings. The library is housed in the Town of Williamson Complex, built in 2004, and enjoys a modern facility with ample space, parking and technology. The library is the third highest circulating library in the four-county, 42-member library system. It is known for its up-to-date and relevant collection of 45,000 items, extensive programming (attended by 7,300 in 2011) and a highly competent staff. The Williamson Free Public Library, a municipal library, has a century of service to the community and figures prominently in the town's culture. It has a budget of just under \$600,000, and in 2011 had circulation of 136,500 items and overall attendance of 68,000. It is open 55 hours per week and has a staff of fourteen. More information on the library and its services are available at [www.WilliamsonFreePublicLibrary.blogspot.com](http://www.WilliamsonFreePublicLibrary.blogspot.com).

The Library Director/Library Manager reports directly to the Library Board of Trustees and is responsible for management of all aspects of the library including supporting and advancing the library's mission, implementing library policy as established by the board, and overseeing the daily operation of the library to provide excellent and responsive service to the community. The Director/Manager supervises and maintains the collection, assists the board in developing an annual budget, monitors all funds and the library's financial records, hires and supervises staff, coordinates programming and outreach, oversees the operation of the computer network and all related technology, represents the library in the larger community, and performs all other duties as directed by the board.

Attributes: A successful candidate will be friendly, forward-thinking, flexible and professional. The Director/Manager should be approachable and committed to providing an inclusive, welcoming environment which provides a positive patron experience. He/she should demonstrate excellent team-based management capabilities and an understanding of strategies that empower staff to grow and achieve.

**Minimum Qualifications:**

- A Bachelor's Degree from an accredited college or university recognized by the New York State Department of Education is required per New York State Minimum Standards for Libraries. A Master's Degree in Library Science is not required but is a plus.
- Strong verbal and written communication skills.
- Good knowledge and understanding of current and emerging library technology, including the ability to troubleshoot computer and network problems.
- Excellent knowledge of public library philosophy and principles.
- Knowledge of marketing and publicity.
- Experience in financial planning and oversight.
- Strong "people skills" to work with staff and public in a positive and supportive way.
- Ability to problem-solve and work within a solid team structure.
- Strong leadership skills.
- Familiarity with New York State laws that pertain to the library and its operations.

Position: Full-time: 37.5 hours per week. Permanent appointment pending Civil Service eligibility. The successful candidate should expect to begin on or around March 4, 2013. Salary: Based on qualifications and experience. Excellent benefits. Instructions for applicants: Interested individuals meeting the minimum qualifications should submit a cover letter, resume and the names, titles and phone numbers of three professional references no later than October 1, 2012 to: [WILdirectorsearch@gmail.com](mailto:WILdirectorsearch@gmail.com) The Williamson Free Public Library is

an equal opportunity employer.

### Interns

The Center for Book Arts

New York, NY

Interns at the Center for Book Arts will gain a comprehensive overview of non-profit management and/or training in book arts techniques. The internship is unpaid, though it may be used for school credit. The length of the internship varies, depending on the student's needs and requirements, as well as The Center's schedule of activities. Applicants should have experience in studio art, organization and management, or public relations, and an interest in the art of the book. A commitment of at least two full days a week is preferred. Individuals who cannot work this minimum number of hours are encouraged to apply as a work/study student rather than as an intern. Volunteer & intern opportunities are available in different departments, as listed. Administration - Interns may develop their business and management abilities as they assist in the day-to-day operation of a small non-profit organization. Development - Interns may assist in researching grants, drafting proposals, as well as developing membership drives and coordinating special fundraising events. Education Programs - Interns may assist in the coordination of all education programs, including the development of the course schedule and lectures, as well as special outreach programs for the New York City area school children. Exhibition Programs - Interns may assist in all aspects of exhibition development and coordination of programs in The Center's Book Arts Gallery, and oversee the maintenance of The Center's Artist Slide Registry. Interns will work directly with artists and compile artist loan agreements and consignment forms, as well as assist in installation, gallery maintenance, catalogue editing and design, art sales and de-installation. Library/Collections - Interns may be involved in cataloguing The Center's art collections and resource library, which consists of out-of-print periodicals, books, limited edition artists' books, and technical books on the subjects of bookmaking and printing. Public Relations and Marketing - Interns may assist in the research of the potential markets for advancement of The Center and develop marketing plans for recommendation to the Executive Director. Interns will update media lists, and assist in the drafting of press releases and public service announcements for The Center's programs and projects. Internship in Book Arts Techniques - Interns primarily interested in learning the craft associated with bookmaking can acquire skills in the book arts by working on The Center's book projects and participating in The Center's education program, though these interns will also assist in the day-to-day operation of The Center as needed.

Development Coordinator  
Seamen's Church Institute  
New York, NY

The Development Coordinator functions as an important member of the Development Team. This full-time position reports to the Director of Development, requiring independent work as well as collaboration on team projects. The Coordinator works closely with the team members in a supporting role, assisting various functions of the department, including research, preparing reports, handling information requests, and performing clerical functions.

Development Coordinator will:

- Maintain SCI's Raiser's Edge database, including maintaining donor records, generating reports for development team members, creating and managing direct mail and email campaign lists;
- Receive visitors, arrange conference calls, schedule meetings and answer the phones for the New York office;
- Work directly with the Director of Development on managing other users of donor database and update all Campaigns, Funds, and Appeals coding in Raiser's Edge in conjunction with the Finance Department;

- Process online donations and coordinate the entry of all donations into Raiser's Edge database;
- Prepare all acknowledgement letters and correspondence to financial contributors;
- Serves as support for development team members on special projects and special events;
- Other duties as necessary.

The ideal candidate has Raiser's Edge experience and demonstrates strong project management skills. Must have good oral and written skills. This position works out of SCI's New York office.

This full-time position offers attractive salary, health and retirement benefits including a matching 403(b) retirement plan.

To Apply: Interested candidates should submit the following materials by e-mail to:

[humanresources@seamenschurch.org](mailto:humanresources@seamenschurch.org): 1) resume; 2) contact information for three references; 3) salary history; and 4) recent writing sample.

Temporary Intern  
NorTech  
Cleveland, OH

NorTech Position Description POSITION TITLE: Temporary Intern REPORTS TO: Research & Information Manager  
FLSA CLASSIFICATION: Non-Exempt ABOUT THE ORGANIZATION: NorTech is a regional nonprofit technology-based economic development organization serving 21 counties in Northeast Ohio. As a catalyst for growing Northeast Ohio's emerging technology industries, NorTech is leading efforts to develop regional innovation clusters that create jobs, attract capital and have a long-term, positive economic impact. NorTech's work focuses on developing and implementing a strategy for cluster growth, including identification of market opportunities, cultivation of relationships among cluster members, and advocacy for supportive public policies. Current cluster initiatives include advanced energy and flexible electronics. POSITION SUMMARY: The qualified candidate will have demonstrated ability to collect data and provide business information and market intelligence analyses on advanced technology industry sectors in support of NorTech's economic development mission. Working under the direction of the Research & Information Manager, candidate will conduct research on technologies, products, markets, firms and industry sectors. FUNCTIONS: Conducting research on potential cluster companies to support recruitment to NorTech clusters; Executing industry research projects in response to specific needs of NorTech cluster programs; Conducting analyses of markets identified in NorTech cluster roadmaps and/or relevant to cluster development efforts; Entering information into an organization-wide information and content management system; Providing data and support for marketing initiatives and outreach and external communications activities; Other duties as assigned. MINIMUM EDUCATION, EXPERIENCE AND SKILLS REQUIRED: The ideal candidate will be a graduate student, or has recently earned a graduate degree, focusing on business, marketing, library and information science or a related field. Familiarity with research on advanced technology industries, preferably through past work experience, is a plus. Currently enrolled in a graduate program or recently earned their graduate degree; Demonstrated performance as a team player and strong interpersonal skills; Strong attention to detail; Excellent written and verbal communication skills; Outstanding analytical and problem-solving skills; Ability to multi-task and complete tasks efficiently; Demonstrated experience with Excel and PowerPoint; Working knowledge of SharePoint and Salesforce is a plus; A motivated self-starter; must work well under intermittent supervision; and Willingness to do what it takes to get a broad range of projects done in a small business environment. PHYSICAL REQUIREMENTS: Sitting for long periods of time. SCHEDULING REQUIREMENTS: Must be available during standard business hours—position may be part-time (a set schedule of 16-24 hours per week) or full-time (37.5 hours per week). Must be available to work occasional off-hours. (Events and meetings will involve some early mornings, evenings and weekends.). This position may not be performed from a remote location. APPLICATION REQUIREMENTS: Candidates must be an enrolled graduate student, or have recently earned a graduate degree, focusing on business, marketing, library and information sciences or a related field. Familiarity with the energy, polymers and electronics industries, preferably through past work experience, is desired. Candidates must be a U.S. Citizen/permanent resident or have a valid visa, if applicable. APPLICATION PROCESS: Please submit resume and cover letter to: NorTech, Attn: Operations, 737 Bolivar Road, Suite 1000, Cleveland, OH 44115, [info@nortech.org](mailto:info@nortech.org)

Digital Photography Archivist/Digital Asset Manager  
Art Photographer Studio  
Williamsburg, VA

Well-regarded Art Photographer is looking to fill an archivist position starting in September. The successful candidate will work out of the Artist's studio in Williamsburg and will have a familiarity with Phase One's 'Media Pro' data asset manager.

The scope of the initial project will be to catalogue several hard drives worth of work – breaking them down into the different bodies of work as well as establishing consistent nomenclature for the digital files. These digital files will also be linked to the original hard copy negatives and prints.

The successful candidate will be very detail-oriented, extremely well-organized and orderly, and be able to work independently. Compensation will be commensurate with experience. Interested candidates should forward their resume and a brief note explaining why they would be well-suited to this position to: [studio@engine216.com](mailto:studio@engine216.com)

Youth Services Librarian,  
 Amery Area Public Library  
 Amery, WI  
 Apply by **8/24**

The Amery Area Public Library seeks an energetic librarian to lead its programming and services to children and young adults.

With a service area population of about 10,000, the library is located within a new multipurpose facility and is part of the MORE consortium of libraries. The City of Amery is situated on 3 lakes and the Apple River and the surrounding area is home to excellent year-round recreational opportunities, from swimming and fishing to snowmobiling, ATV riding, hiking, cross country skiing and much more. We are proud of our excellent school system and state-of-the-art medical center.

Amery is home to the Northern Lakes Center for the Arts, a community theatre group and a variety of art studios. We are located just an hour from the Minneapolis/St. Paul area.

Responsibilities: The Youth Services Librarian reports to the Library Director and is responsible for the library's program of service to children and young adults. Essential duties include managing the children's and young adult collections, planning and implementing programs that benefit children from birth to age 18, promoting youth services to the community, and participating in the day-to-day operations of the library.

Qualifications: Bachelor's degree or equivalent required; master's degree in library science preferred. Library coursework in children's and young adult literature and in programs and services for children and young adults, and 1-2 years of public library experience preferred. Knowledge of current library practices, technology and trends is required.

Compensation: Starting salary range is \$30,000-\$35,000 with excellent benefits. Please submit your resume, cover letter, and list of three professional references via email [tojnalen@amerylibrary.org](mailto:tojnalen@amerylibrary.org) or mail to: James Nalen, Director, Amery Area Public Library, 225 Scholl Ct., Amery, WI 54001. A detailed job description is available on our website at [www.amerylibrary.org/node/11](http://www.amerylibrary.org/node/11). First preference will be given to applications received by August 24, 2012.

Registrar

Abydos, Egypt

I've been working for several seasons at Abydos, Egypt but it's doubtful that I can go this winter. My director, Dr. Matthew D. Adams of NYU Institute of Fine Arts, and I are both serious about having someone trained in collection management and reliable take over for me. The season is usually mid-January through March. You'll be documenting daily finds, packing for storage, and refining storage organization. If you are interested, have the skills, and can commit to the entire season, please write to me in the next couple of days. The paper work has to be sent to Egypt in the next couple of weeks, months before we leave, and it cannot be changed once it has been sent. Please don't change the subject line or I may not realize you are responding to my post. Abydos is 300 miles south of Cairo where the very first pharaohs ruled and were buried. It's very interesting, and, though the team varies from season to season, Dr. Adams seems to be able to find interesting, fun people. Feel free to write with questions. If you are seriously interested, please send a resume or cv with subject line "Registrar needed for excavation team in Egypt" to Jerrie Clarke at [jerriec03@yahoo.com](mailto:jerriec03@yahoo.com). I'll screen them then send them on to Dr. Adams.
