Part Time Technical Services Adjunct: Metadata and Digital Projects - Southern Connecticut State University Library Services is seeking a part time adjunct librarian for Technical Services Metadata and Digital Projects. The position is 17 ½ hours a week, flexible hours. The adjunct librarian will perform original and copy cataloging for resources in multiple formats (electronic and print) to be contributed to the OCLC Database and CSCU's shared Network Zone Database in ExLibris/Alma; work on digitization projects, including creating metadata for digitized objects; may also participate in other technical services projects like Maker Space and other duties as assigned. Required: ALA accredited MLS or equivalent; working knowledge of current cataloging standards including RDA, MARC, MODS, and Dublin Core; and ability to work on individual and team projects. Preferred: Some experience with digitization projects. Salary exceeds CLA minimum salary guidelines. To apply, please submit a cover letter, CV, and the names of two references to: Jacqueline Toce, tocej1@southernct.edu. Review of applications will begin immediately and remain open until filled.

Information Services & Technology Librarian Full time, 35 hours/week/ The Farmington Libraries/ CT/ 9/14/ are seeking a creative and enthusiastic individual to work closely with colleagues to deliver service beyond expectations to our active and vibrant community. The Information Services & Technology Librarian is conversant with current technology trends and is responsible for identifying and evaluating new technologies, and designing original programming for one-on-one and small group training for staff and customers alike. Additional responsibilities include: assisting with the development and maintenance of library computers, automation equipment, and Maker Space and Studio software and hardware; assisting customers with reference inquiries and reader's advisory; collection development; passport processing; and introducing new and inventive services to the community while teaching the team those technologies. Qualified applicants must possess exemplary interpersonal skills, and a commitment to teamwork. The successful candidate will be self-motivated and self-directed, with a demonstrated passion for discovering innovative solutions to meet community needs. Knowledge of and experience with current trends in technology including VR, AR and MR as well as maker spaces is needed. A master's degree in Library Science from an ALA-accredited program, and two years of customer service experience are required. Public library experience preferred. This is a full-time 35-hour per week position with a yearly salary of \$49,140, four weeks' vacation, health insurance, and retirement benefits. Interested candidates should submit a cover letter, resume and a brief (500 words or less) essay addressing technology's role in libraries today, to Laura A. Horn, Assistant Director/Head of Information Services via email at lhorn@farmingtonlibraries.org No phone calls please. The deadline for submissions is Friday, September 14th. The Farmington Libraries are an EOE/AA employer.
