[Library Assistant I](#) / Groton Public Library / Groton, CT / Apply by 4/21 / History Room/Archives Internship - Avon Free Public Library. The reference department of the Avon Free Public Library is currently accepting applications from MLS candidates and History MA candidates for its 2017 History Room/ Archives internship. The Avon Library preserves the history of Avon, Connecticut, through its collections in the Marion Hunter History Room. This collection, comprised of photos, primary documents, and books, is a complement to the Avon Historical Society's collection of objects and artifacts. The Avon Library's history collection completed a "Report of Preservation Needs" in February 2016; this assessment was funded through a grant from the National Endowment for the Humanities. In September 2016, a Connecticut Traveling Archivist visited to provide further guidance and instruction for care and handling of the collection. The reference and technology librarians at the Avon Library have been actively (and properly!) repackaging and storing the items within the Marion Hunter History Room, and scanning items (digitizing) to the Connecticut Digital Archive (CTDA). This internship is designed to provide practical, in-the-archives experience for those pursuing archive and history studies. Applicants must have completed at least four graduate level library science/MA history program courses before the start date of their internship. The successful applicant will be paid a stipend of \$2,500 for approximately 125 hours of work over approximately 2-3 months. The intern will select an area of the archive room to organize, digitize, and create a final project/publish on. A schedule of the project, once selected, will be created, with measurable outcomes for the student and the library. This internship is funded through the generous support of the Friends of the Avon Library. Eligibility and requirements: Enrollment in a Master of Library Science Program or enrollment in History MA program. Applicants must have completed at least four graduate level courses. Applicants must be eligible to work in the U.S. The stipend for this internship will be paid in two lump sums. Schedule will be designed once the candidate is selected, and will include flexibility. Strong computer skills, including internet research, webpage familiarity, etc are required. Candidate must have reliable transportation. Please email the following to

tpanik@avonctlibrary.info by 5:00 pm on Wednesday, May 10, 2017: Resume and cover letter, indicating what you would like to learn/skills you would like to strengthen while interning in the Marion Hunter History room at the Avon Free Public Library. Town of Avon Employment Application. List of completed classes (unofficial transcripts accepted). Candidates will receive an acknowledgement of their application and will be notified of their interview status by mid-May. Students will be shown highlights of the collection during their interview. The Avon Library is open to creative ideas and direction for the student's completed project; we will coordinate with university requirements for those with required internship hours.

Paid Reference Internship Opportunity / Westport Library / Westport, CT / The Westport Library (CT) is excited to offer a new internship to MLS candidates. The Internship Program has been designed to offer practical, on the job, resume enhancing experiences to MLS candidates pursuing a career in reference services. Over the course of the internship, the selected intern will have the opportunity to shadow librarians at a dynamic public library reference desk as well as assist them with off-desk assignments. In partnership with a mentor librarian, the intern will have the opportunity to design and teach a technology class and create a resource guide on a subject needed by the community. The intern will also have an opportunity to work with the MakerSpace team, and Programming Department on special projects. Eligibility and requirements: Applicants must be enrolled in a Master of Library Science Program and have completed at least four graduate level library science courses, including a reference course. The rate is \$20 per hour, dependent on experience, for 10-15 hours per week for approximately 5 months. Please send a resume and cover letter to jobs@westportlibrary.org. Applications will be considered until position is filled.

Unpaid Digital Repository Intern / NASA Goddard Library / Greenbelt, MD / The NASA Goddard Library's Digital Projects Team seeks two students to work with us this summer who are looking receive course credit. Students will work with our team to enhance our digital repository's collections and get hands-on experience with metadata work. Please visit our website (<https://gsfcir.gsfc.nasa.gov/public/internships/digitalrepositoryinterns>) for more details. In particular, the project this summer will focus on thesaurus construction to help establish an authoritative list of NASA mission names. Those interested should send a resume and statement of interest to Adrienne Hieb, Metadata Librarian (adrienne.m.hieb@nasa.gov) and Matt Pearson, Digital Projects Team Lead (matthew.m.pearson@nasa.gov). Please feel free to ask me more questions about the opportunity: adrienne.m.hieb@nasa.gov.
