Learning Resource Center Manager / Fortis Institute / Scranton, PA / Fortis Institute, Scranton, PA, Position Summary: The Learning Resource Center Manager maintains and develops a Learning Resource Center that provides print and online student resource materials for all programs offered at the school. The LRC Manager also maintains faculty resource materials to enhance instructor skills, offers assistance to students who are doing research projects or studying to pass licensure exams, and ensures that resource materials are available online for use in all classrooms and at home. Essential Duties and Responsibilities: Abide by the policies and procedures of the institutions. Contribute to the development of the program's philosophy, objectives, and services, and assure fulfillment of standards of all accreditation and regulatory agencies. Promote positive image and reputation of the LRC Program and all programs at the institutions. Conduct student LRC orientation and information literacy training sessions at the start of each term for all new students. Conduct group or individual orientation sessions for new faculty at the start of each term including training in LRC resources. Provide LRC & classroom technology orientation to new faculty, and provide ongoing training on new technology to all faculty. Mentor and provide direction to the Library Technician and / or work study students. Work directly with faculty to determine resources needed to complement instructional delivery, to support the curriculum, and to provide relevant student learning experiences. Provide support to faculty – reference services (including literature searches) to include preparing bibliographies to support lesson planning, professional activities, research, and faculty development; work with student groups in LRC at faculty request; assist with PowerPoint presentation development, assist with implementation of new instructional technologies in the classroom, etc. Assure that all IT technology in classrooms and LRC is operational at all times. Manage the LRC collection including collection development: checking in journals and filing missing journal claims, taking faculty requests for new titles, processing new books and adding them to the collection, Maintain the online library catalog. Provide input to updating and maintenance of the LRC website. Monitor the LRC to assure all users are finding information they need and using resources appropriately. Conduct annual inventory, Work either independently or in collaboration with other MS-credentialed LRC staff on LRC program projects. Attend Faculty meetings, Curriculum Committee meetings, and participate in professional development programs with the faculty. Provide input to accreditation submissions related to library and information resources and technology, and conduct tours and information sessions during accreditation site visits. Plan and conduct quarterly Advisory Board meetings. Provide input to the school-wide and corporate annual budget development for LRC Program. Administer library assessment methods, collect data, and summarize and communicate results. Responsible for maintaining laptop inventory. Perform other duties as assigned. Maintain regular and reliable attendance. Skills/Competencies/Qualifications: Master's Degree in Library Science from an ALA-accredited program, Experience and or education in health science librarianship, Comfort level with IT hardware, Proficiency in library software, Exceptional communication and customer service skills. Contact madeline.levycruz@fortisinstitute.edu about process.
