Reference Librarian / Orange Beach Public Library / AL / Apply by **8/8 5pm** Central / The Orange Beach Public Library is reopening the search for the position of Reference Librarian. This position has one grade, Librarian II, with a starting Salary of \$40,370 and a range that caps out at \$50,536. Blue Cross/Blue Shield, Employee Clinic, Alabama Retirement System and other optional benefits provided. ALA accredited MLS/MLIS required. We seek a dependable, fun, and enthusiastic individual for the position of Reference Librarian (and technology help guru.) While we do not have a large demand for research questions at Orange Beach, we do have significant demand for point of need based and appointment based technical help on iOS, Android, and Windows devices. Orange Beach has a fledgling Makerspace that is undergoing significant expansion including digital screen printing, green screen systems, 3D printing, scan-to-cut system for paper and fabric, and robotics and electronic kits. We expect this position to be deeply involved in this transformation. This position also runs our Minecraft Guild and code camps for young adults with support from the Children's Librarian. Instructional duties include structured computer classes as well as tech drop-in classes without specific topics. More important than any specific amount of experience is the ability to connect with a wide range of patrons, from younger adults doing Minecraft projects and snapping together Little Bits circuit systems to senior citizens needing help with a computer they bring to you still in the box. Our reference professional needs to not only connect, but thrive on these connections. Interviews will be conducted using Google Hangouts to allow a larger demographic to apply without excessive travel costs. Please send a CV/Resume in Word (.doc or .docx) format, and three professional references to Steven Gillis at [sgillis@cityoforangebeach.com](mailto:sgillis@cityoforangebeach.com). Reference letters and cover letters are welcome but not required.
