Who I am

A **founder** and **leader** with a desire to work strategically in ways that make the world better, whether for one individual or a larger organization. A team player. I have lived in 7 U.S. states and Budapest, Hungary, and been to all 50 U.S. states, and 42 countries. I've built and sustained multiple businesses and thrived at multiple orgs. I believe these are important skills and capacities in the global information economy.

Education

- Masters of Library and Information Science (MLIS) | Rutgers University
- Bachelor of Arts (BA), History | State University of New York, Empire State College
